Pioneer High School Whittier, California

Hi Cindy ☺

A black and white photograph capturing a football team's entrance onto the field at night. The players, wearing dark jerseys with white numbers and white pants, are running towards the center. Visible jersey numbers include 30, 74, 20, and 73. They are flanked by cheerleaders in dark uniforms, many holding large, light-colored flags. The scene is lit by stadium lights, creating a high-contrast image. In the bottom left corner, there is handwritten text that reads "O - miz - 2".

We live in waves of Nostalgia, a sea of days gone by
Always remembering the sensation of belonging, of being you,
and of being important Reminiscent of the memories that
fill you with thoughts of yesterday and faces of old friends
Communication in both song and spirit on an uplifting
carousel of time, revolving around hopes, fears, and
always present anxieties

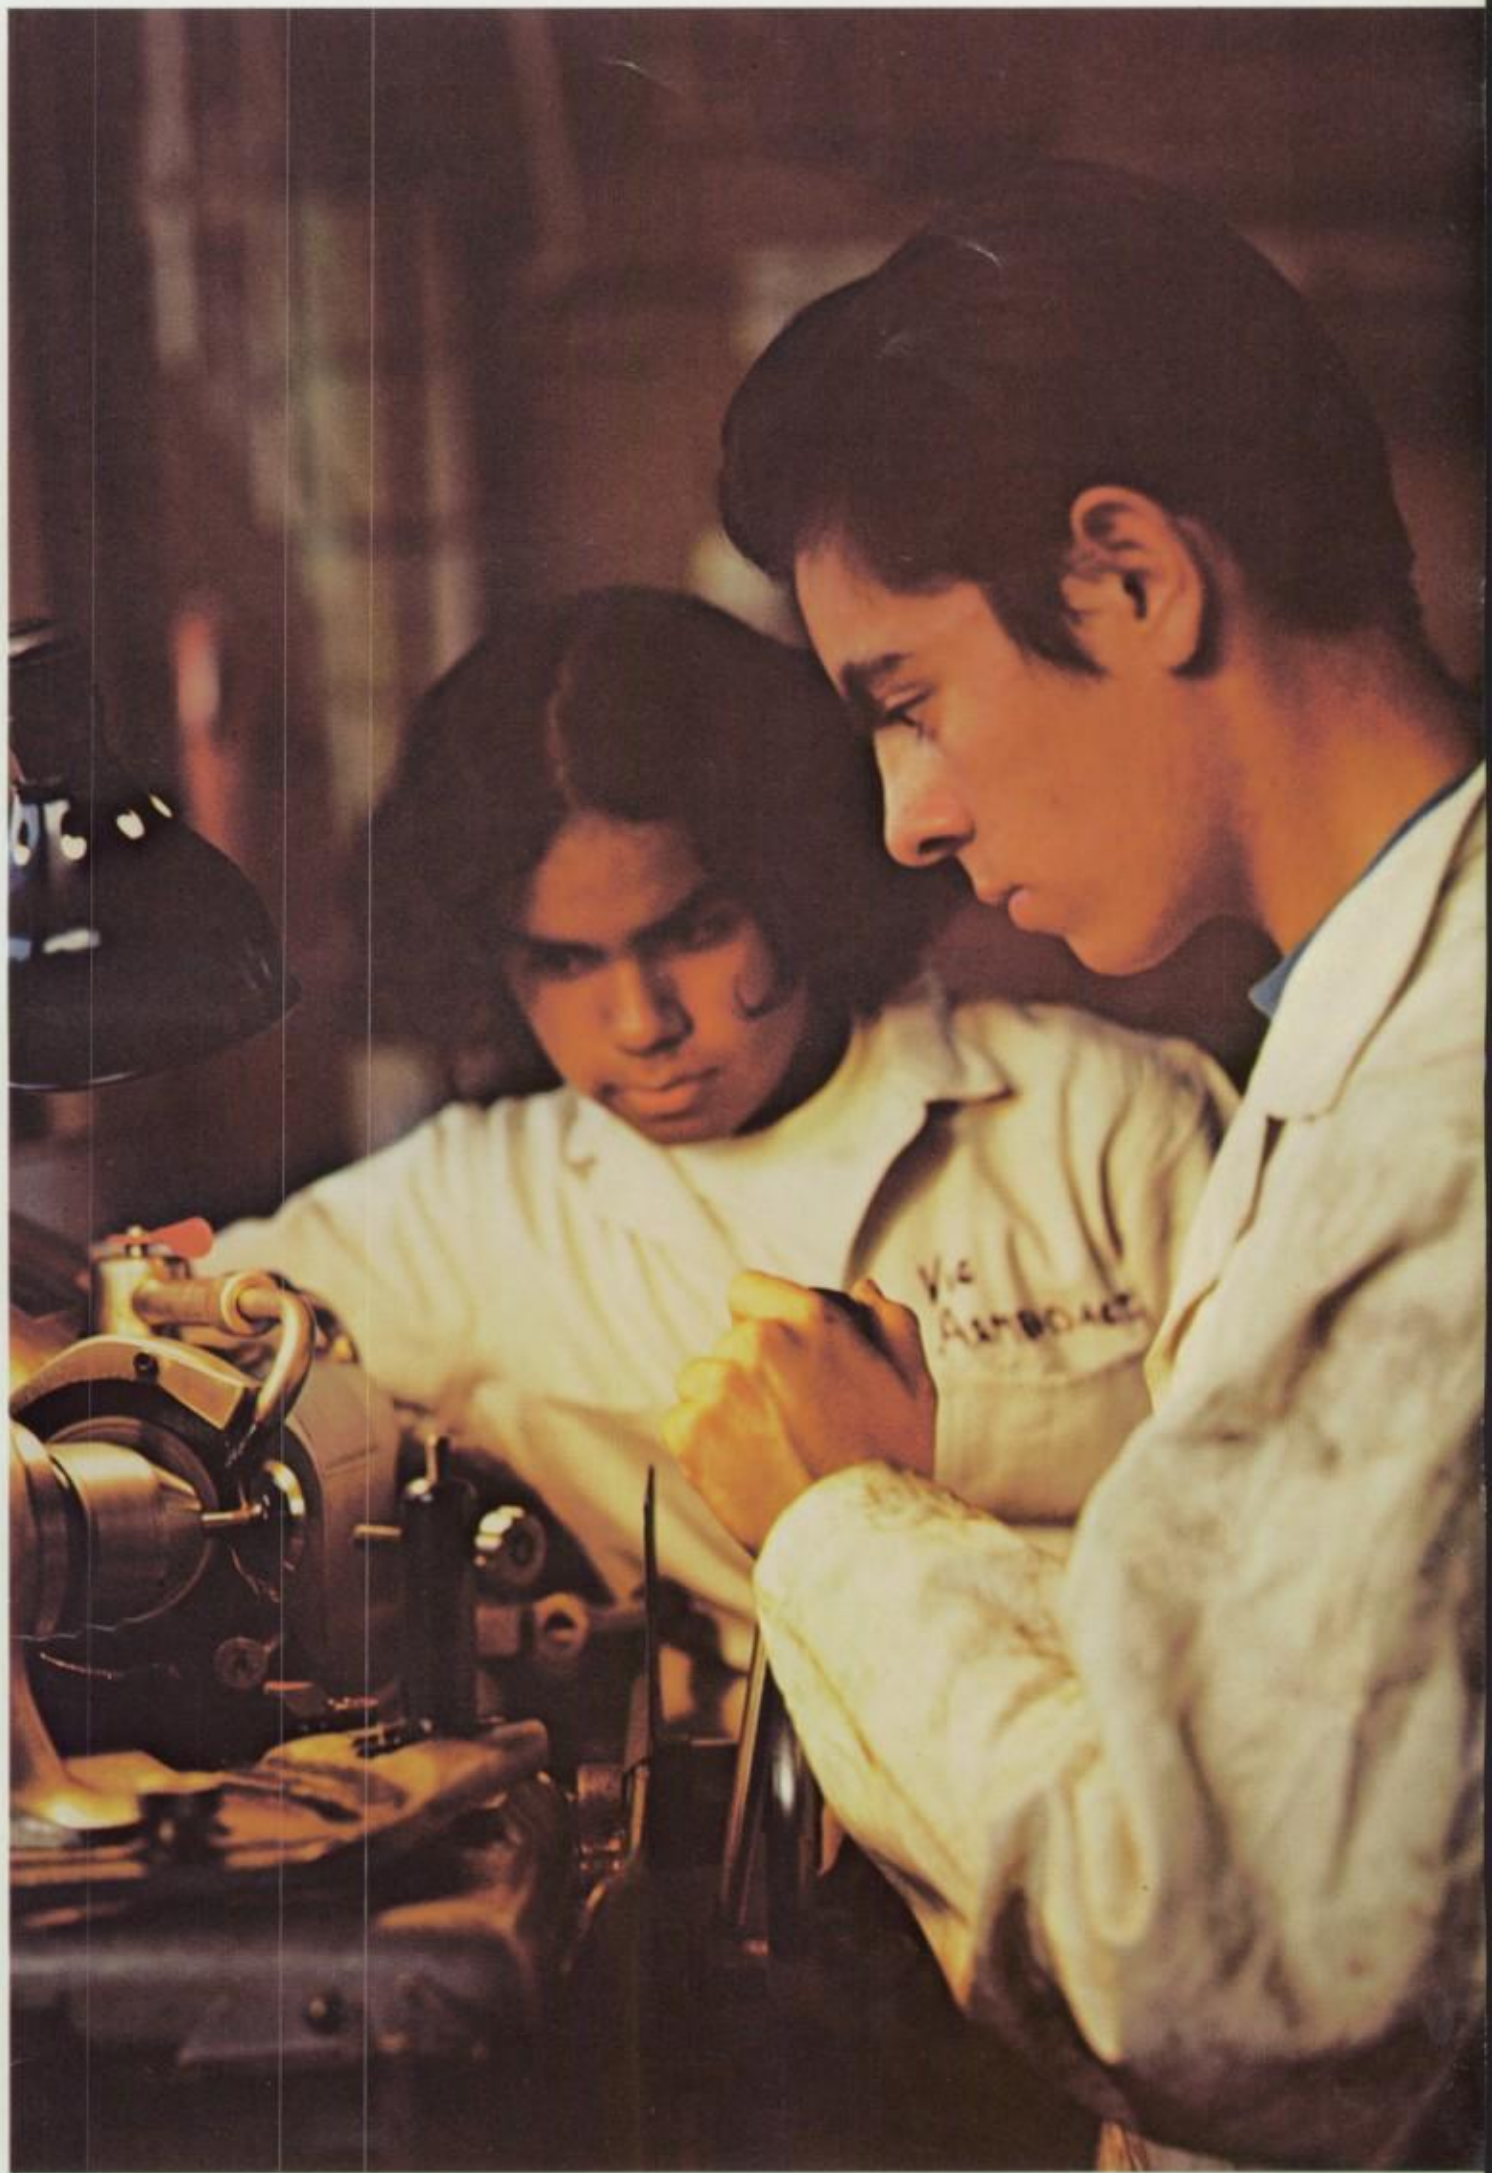

The future is a dark cloud of mystery,
so far away, yet within our grasp We share our
thoughts, yet we must tear ourselves away from
the collective security of our friends, and pull
ourselves into a world we must conquer as
individuals

Now was a time when men and women
worked hand in hand to prepare for
the future Remember our days of
creation when we made things happen
Success and failure
What to do with them now

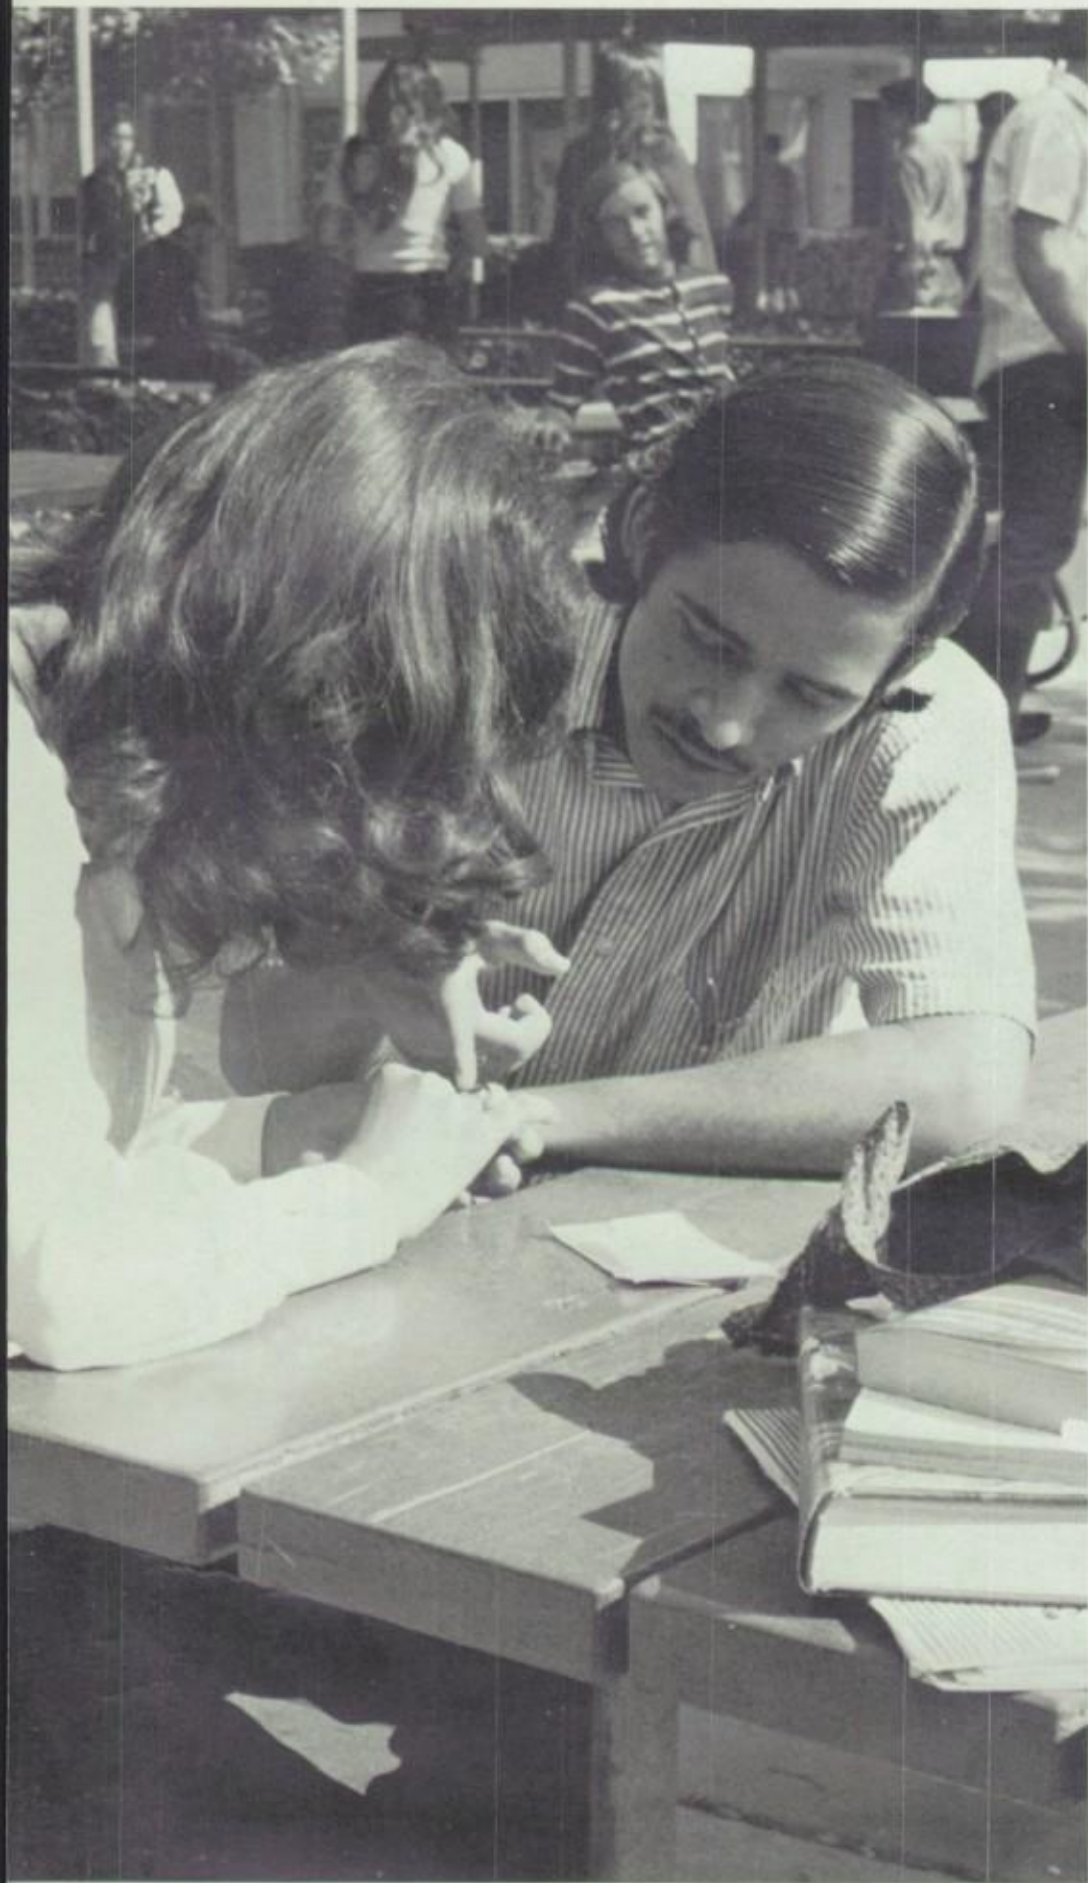

Life is made up of Nostalgic memories that
can never be again Looking back on
our days with pride, experiences and
dreams never drawn to a close

Leaving our youthful
pleasures, and images of
dreams come true, we
depart for our unknown
world of tomorrow

Reflecting on days of future passed
The sunset of yesterday is the dawn of tomorrow
NOSTALGIA IS NOW

Dedication

We, the students of Pioneer High School, proudly dedicate the 1972 Torch to two deserving people, Carolyn Noseff and Bob Houston.

Mrs. Noseff comes to us from the Midwest. She was born in Lawton, Oklahoma and educated at Highlands University in Las Vegas, New Mexico. It was there that she met her husband, Jerry, who is a systems analyst. 1964 was a big year for Mrs. Noseff. She and Jerry were married, they moved to California, and Mrs. Noseff began teaching at Pioneer. She is known to us for her dedicated work with the ninth and tenth grades. Besides being an excellent world history teacher, she is the social studies chairman for these grades and advisor for both the sophomore and freshman councils. Her hobby is collecting candles. She is always looking for unusual ones, and has an extensive collection.

Mr. Bob Houston, our plant foreman, is in charge of the entire physical operations of Pioneer. He has been working here for eleven years. Mr. Houston came to California in 1956 from Webb City, Missouri, where he had lived all his life. He started working for the Whittier Union High School District in 1959 at Sierra High School, and then moved to Pioneer in 1961. He and his wife, Mary Margarette, have two sons, Bob and John, and seven grandchildren. In his spare time, Mr. Houston likes to hunt and fish.

The entire student body would like to give their heartfelt thanks to both Mrs. Carolyn Noseff and Mr. Bob Houston. Their dedication to our school will be long remembered.

Senior Council Keeps Busy in Last Year

The Senior Class Council was principally occupied planning traditional senior activities and deciding on the senior gift.

The first semester activities planned by the graduating class are generally to raise money for the various senior activities held during the second semester. The Council also had an important part in choosing the homecoming court. They and the Varsity Club had the responsibility of selecting the semi-finalists. With the help of Advisor Fred VanWickle, the Senior Mothers' Tea was one of the traditional year-end activities to be organized by the council members. A good deal of thought was also given to choosing a senior gift. The gift, to Pioneer from the senior class, would be the result of careful budgeting from four years.

CSF Life Members

Four years of hard work and high scholastic achievement pave the road to life membership in the California Scholarship Federation. This year, twenty-one members of the senior class qualified for the honor at the end of the seventh semester. Membership is attained by being a member of the CSF four of the six semesters in the last three years of high school. Out of the four semesters, one must be during the senior year.

The Life Members receive the CSF Life Member Gold Seal on their diplomas, are recognized upon graduation, and are honored at the annual CSF awards dessert.

Kerry Murphy, DAR Winner

The Daughters of the American Revolution award is a citizenship honor given annually to a deserving senior girl. Girls are nominated by a vote of all the senior girls. The counselors are given the names of the three girls receiving the most votes, and they then select the winner. This year's DAR award winner was Kerry Murphy.

Kerry Murphy, DAR Citizenship Award Winner

Richard Frasier, National Merit Finalist

Richard Frasier, Nat'l. Merit Finalist

Richard Frasier earned finalist standing in the National Merit Scholarship program this year. The Qualifying Test for this honor is a nationwide examination given to high school juniors. Scholarship semi-finalists and finalists are selected on the basis of how well they did on the National Merit Test. They are then eligible to receive one of the many college scholarships given by the National Merit Scholarship Corporation.

Janine Totta, Girls' State Representative

Janine Totta, Girls' State Representative

Janine Totta was Pioneer's Girls' State Representative. Held for a week during the end of the school year, a convention up north gave high school seniors throughout the state the opportunity to experience government in action.

In Sacramento, where the program is held, mock cities and counties are set up, and students elect city, county, and state officers. The purpose of the program and the convention is to help familiarize students with the state government in California.

Bank of America Honors Fifteen Deserving Seniors

Terri Negosian, Vocational Arts

The Bank of America Awards are presented annually to members of the graduating class who have made outstanding achievements in certain fields. Faculty members nominate deserving students in various areas, and the Guidance Office makes the final choice. To qualify for an award, a student must have taken enough courses in a particular field to constitute a major.

The winners in the four general subject areas receive plaques and are eligible for scholarship competition with other schools from the Whittier area and throughout Southern California. The Bank of America also gives eleven specific subject area awards. The winners of these are presented certificates for recognition of their achievements.

“Everything and Anything”

A.S.B. Cabinet - Mixing Spirit With Social Concern

This year's cabinet, led by President Ruben Elizalde, was one of the liveliest in Pioneer's history. Although they were a crazy bunch, they used their craziness constructively. Excellent examples were the food drive for needy families they sponsored during the Christmas season, the planning and directing of Homecoming, the organizing of the donkey basketball game, assemblies, after-game dances, and their continuation of the student-teacher forum.

The great efforts of Cabinet, backed by a spirited student body, produced one of the greatest years Pioneer has ever seen.

Boys', Girls' Leagues Plan Nostalgic Events

The Girls' League Officers, probably one of the most productive and busy organizations on campus, were at their peak this year planning and presenting activities for Titan girls. Judy Newsom was in charge of planning "Moonlite and Roses", this year's Girls' League Dance. The dance took place at the Newporter Inn, taking precedence as the first Girls' League to be held off the Pioneer Campus. Titanette Review was planned by Sharon Harmon, and the Mother-Daughter Tea was planned by Sharon Harmon and Girls' League President Kerry Murphy. Kathie Henderson was in charge of planning the fashion show that was presented at Hinshaw's. Prior to the opening of school, the girls worked to present Big-Little Sister day. The day before school started the members helped orient incoming freshman girls to the Pioneer campus.

Boys' League, operated mostly by Gilbert Rodriguez, worked to present a previously popular Judo assembly, the Car Show, and the annual Donkey Basketball game.

A S B Congressmen Represent Pioneer Students, Serve as Link

The Congress at Pioneer is the organization which was devised to give all students a voice in their student government. Every history or social studies class elects a Congressman and an alternate, so that a cross-section of students is represented at Congress meetings. The regular congressmen attend meetings in which they try to find methods to improve their school. They also took an interest in activities, and suggested new ones that Pioneer students might try.

Through his representative, a student may present to the Cabinet his opinion on a matter of student concern. When a bill is passed by Congress, it is then sent on to the Cabinet, and finally presented to the Administration for approval. The 1971-72 Congress was led by Speaker of Congress Kevin McMullen, whose job was to organize Congress, schedule meetings, and to communicate between the Congress and the Cabinet.

Yell Leaders Spark Cheer At Titan Activities

This year's Varsity Yell Leaders were an outgoing crew of pep. Led by Rick Rodriquez, they stamped and clapped their way through every game and pep rally. Although they were always laughing and joking, the yell leaders took their job seriously. At games they succeeded in creating excitement in the crowd for the Titan football team. They presented interesting routines, both at games and assemblies, and always held the interest of the audience. The group held regular practices and raised money to support their group expenses.

Song Leaders Perform to Titan Tunes

Full of life and vitality, the 1971-72 Song Leaders added greatly to every game and pep rally. Their skillful routines, done to popular tunes, constantly aroused audiences. Head song leader Linda Romero did an excellent job leading her squad for the second year, and frequent practices combined with creativity and spirit, guided the song leaders through one of their more enjoyable years. From assemblies to football games, the song leaders proved themselves a great asset to Pioneer's pep squad.

Flagsters Wave Their Flags "On To Victory"

Twirling their geometric and colorful flags with a show of experience, the Flagsters were a welcome and familiar sight on the field or in the gym. The girls were a model of spirit and pep as they urged the crowd to root for the Titan teams. With Head flagster Terry Larmore being the only veteran, the group had a great deal to learn. The new flagsters, however, made up for their lack of experience by vigorously practicing and generating a great deal of enthusiasm among themselves.

Lively J.V. Pep Leaders Add Excitement to Many School Events

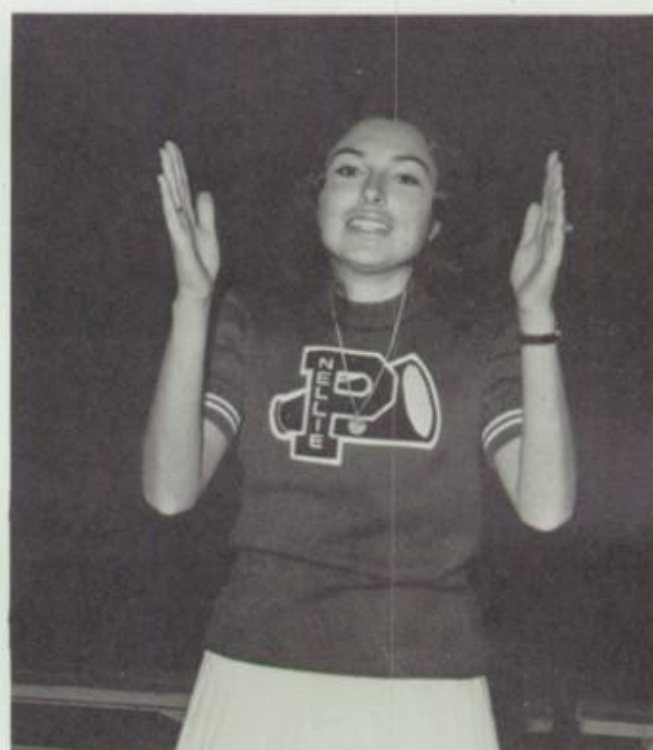

1971-72 was the first year that Pioneer had Junior Varsity Yell Leaders, and judging from this year's troop they will continue to be an important part of the pep squad. The boys on the J.V. team appreciated the girls' spirit and enthusiasm, and the girls themselves had a marvelous year. Led by Cindy Lozano, the girls accompanied the J.V. teams to games, promoted pep, and led yells for the J.V. fans. In previous years the group was under the title of Bee yell leaders, but they adopted the new J.V. title when the football teams were assigned new names too.

Sophomore and Freshman Yell Leaders Become New Addition to Pep Teams

With the aid and help of sophomore and freshman class advisor Mrs. Carolyn Noseff came the existence of two new groups at Pioneer. Due to the recent forming of sophomore and freshman football teams, there became a need for Sophomore and Freshman Yell Leaders. Working vigorously to become fully organized, and having had no formal training, the two yell leading groups raised money, decided on uniforms, held extra practices, and were ready and waiting enthusiastically for the beginning of the 1971 football season. Because of the fun the groups had, and the girls' popularity on campus, other girls were already vying for next year's positions on these two yell leading squads.

Majorettes Add Sparkle to Many Parades and Games

With batons and experience well in hand, the Titan Majorettes twirled and marched their way through a very successful year. Although they were the smallest group in the 1971-72 Pep Squad, the majorettes took part in a great many more activities. Aside from marching with the Band and Drill Team in parades, they were also a very vital part of football games, basketball games, and competitions. At the Rosemead Parade the four received a second place, and at baton camp during the summer they were awarded a trophy for being the most spirited team. All four members have had a least six years of experience with baton corps, leaving no need for a head majorette. None of them wished to curtail their career next year.

Banner Bearers Unite With Famed Drill Team For Another Successful Year in Competition

Again with the help of its advisor Miss Littlefield, the 1971-72 Titanette Drill Team had a successful and promising year. The eighty girls, making it a fairly large team, marched through more than seven half-time shows and five parades. Under the direction of Leader Kathie Henderson, who was assistant leader the previous year, the girls tackled many difficult and skilled maneuvers. With her assistant leader, Laura Acken, the two girls created enjoyable dances, shows, and routines.

Of notable importance is the fact that for the first time the Banner Bearers were no longer a separate group, but were incorporated into the regular team. This gave the alternates a chance to participate more frequently, and the teams record looked just as good despite the change. The team took fourth place in the West Arcadia parade, and first place in the Whittier College Homecoming Parade. Along with being honored with Sweepstakes in the Chaffey Tournament, they performed in the L.A. Coliseum prior to the Rams game, which is probably their most famed event.

Band Gains New Director - Retains Pep and Spirit

Beginning this year, Pioneer's Titan Marching Band was put under the direction of Mr. Quiroz. He has proven himself to be not only a fine director, but also a very dedicated advisor. Despite the awkward situations which were certain to occur, the band continued to win high ratings for their intricate steps and their lively melodies.

During the school year the band performed at football games, assemblies, and parades. The group participated in a number of competition parades, not to mention the annual Uptown Whittier Christmas Parade, one of the few uncompetitive marches. The marching band was led by the new Drum Major, Dale Nissenson, who won awards and trophies herself.

Homecoming

Homecoming 1971 was not just the crowning of the queen, for that was only the final climactic moment. Weeks were needed to make all of the preparations for the evening. The members of the court were nominated by the Senior Class Council and Varsity club, and voted on by the senior class. Escorts were chosen, and the entire student body voted to decide who would be queen. For the first time in Pioneer history, colorful floats were prepared, including the competing class floats and the Homecoming float. "Memory Hall" was filled with old pictures to bring back nostalgic memories of high school to returning Pioneer alumni. The Homecoming Assembly was held in the stadium on Friday afternoon, with speeches made by past students. Later that night the senior float was voted first place, and Emily Quesada was crowned Homecoming Queen during the half-time show of the Varsity football game against La Canada.

Pioneer Drama Department Presents "Miracle Worker"

The fall play is one of the two most important dramatic events of the year, as it is the first of only two productions that is open for all students who wish to try for a part. This year the Pioneer Drama Department presented the "Miracle Worker", written by William Gibson. Under the direction of Drama Coach George Whatley, the play depicted the valiant struggle of young Annie Sullivan as she tried to find the key that would unlock the mind of the deaf, mute, and blind child, Helen Keller. Janine Totta as Annie, and Merrie Turner as Helen gave powerful and moving performances. Add to that the characterizations of Captain and Mrs. Keller by Paul Popoff and Laura Bel, and it becomes clear why the "Miracle Worker" will long be remembered by those who saw it.

The play was produced with the help of Student Director Leslie Ley and Technical Director Bruce Petrell. Feature roles were portrayed by Fred Angelo, Speranza Avram, Tom Chevere, Rick Osorio, Chris Monge, Debbie Perez, Nancy Petrella, and Steve Sotomayor.

"Moonlight and Roses"

Off-Campus Dance

"Moonlight and Roses," this year's Girls' League Dance, was held January 29 at the Newporter Inn in Long Beach. The dance has become a tradition to which the girl invites the boy of her choice and pays for the dinner and the dance. It was still a very unique dance, though, because for the first time in Pioneer history it was held off the school campus.

Judy Newsom was in charge of planning the evening, and worked with the rest of the Girls' League officers in preparation for the gala affair.

In the large photo at top of spread, Joe Guerrero and Lilly Chavez keep themselves entertained while Wayne Gaither and Karen Ward sit amused (background). In the top left photo, Janet Miyashiro and her date discuss later plans for the evening. Efrain Vasquez and Becky Bogenschutz listen to and watch the band (above).

Homemakers Earn Many Honors Throughout Year

The Homemaking Department, one of the generally overlooked sections of the school, put in a very active and productive year. Not only was it a fun and educational one, but one with many new honors.

Joy Kluzak, a second year homemaking student, won the Daughters of American Revolution sewing award. A blue coat she prepared was modeled before a local tea, and from there it went to the Anaheim Convention Center. There, where it was in competition with clothing throughout the state, it took first place. Joy was later presented with a silver bracelet and a certificate in recognition of her accomplishment.

Aside from preparing luncheons and banquets for faculty members, many other girls participated in contests offered through the school. Earlier in the year, a district table-setting contest was held in the fine China and Silver department of Hinshaw's Department Store, where entries were judged on appearance and theme. Customers passing through the store voted on the settings. Sandy Johnson and Susan Murphy took third place with their orange, black and rust colored Halloween theme.

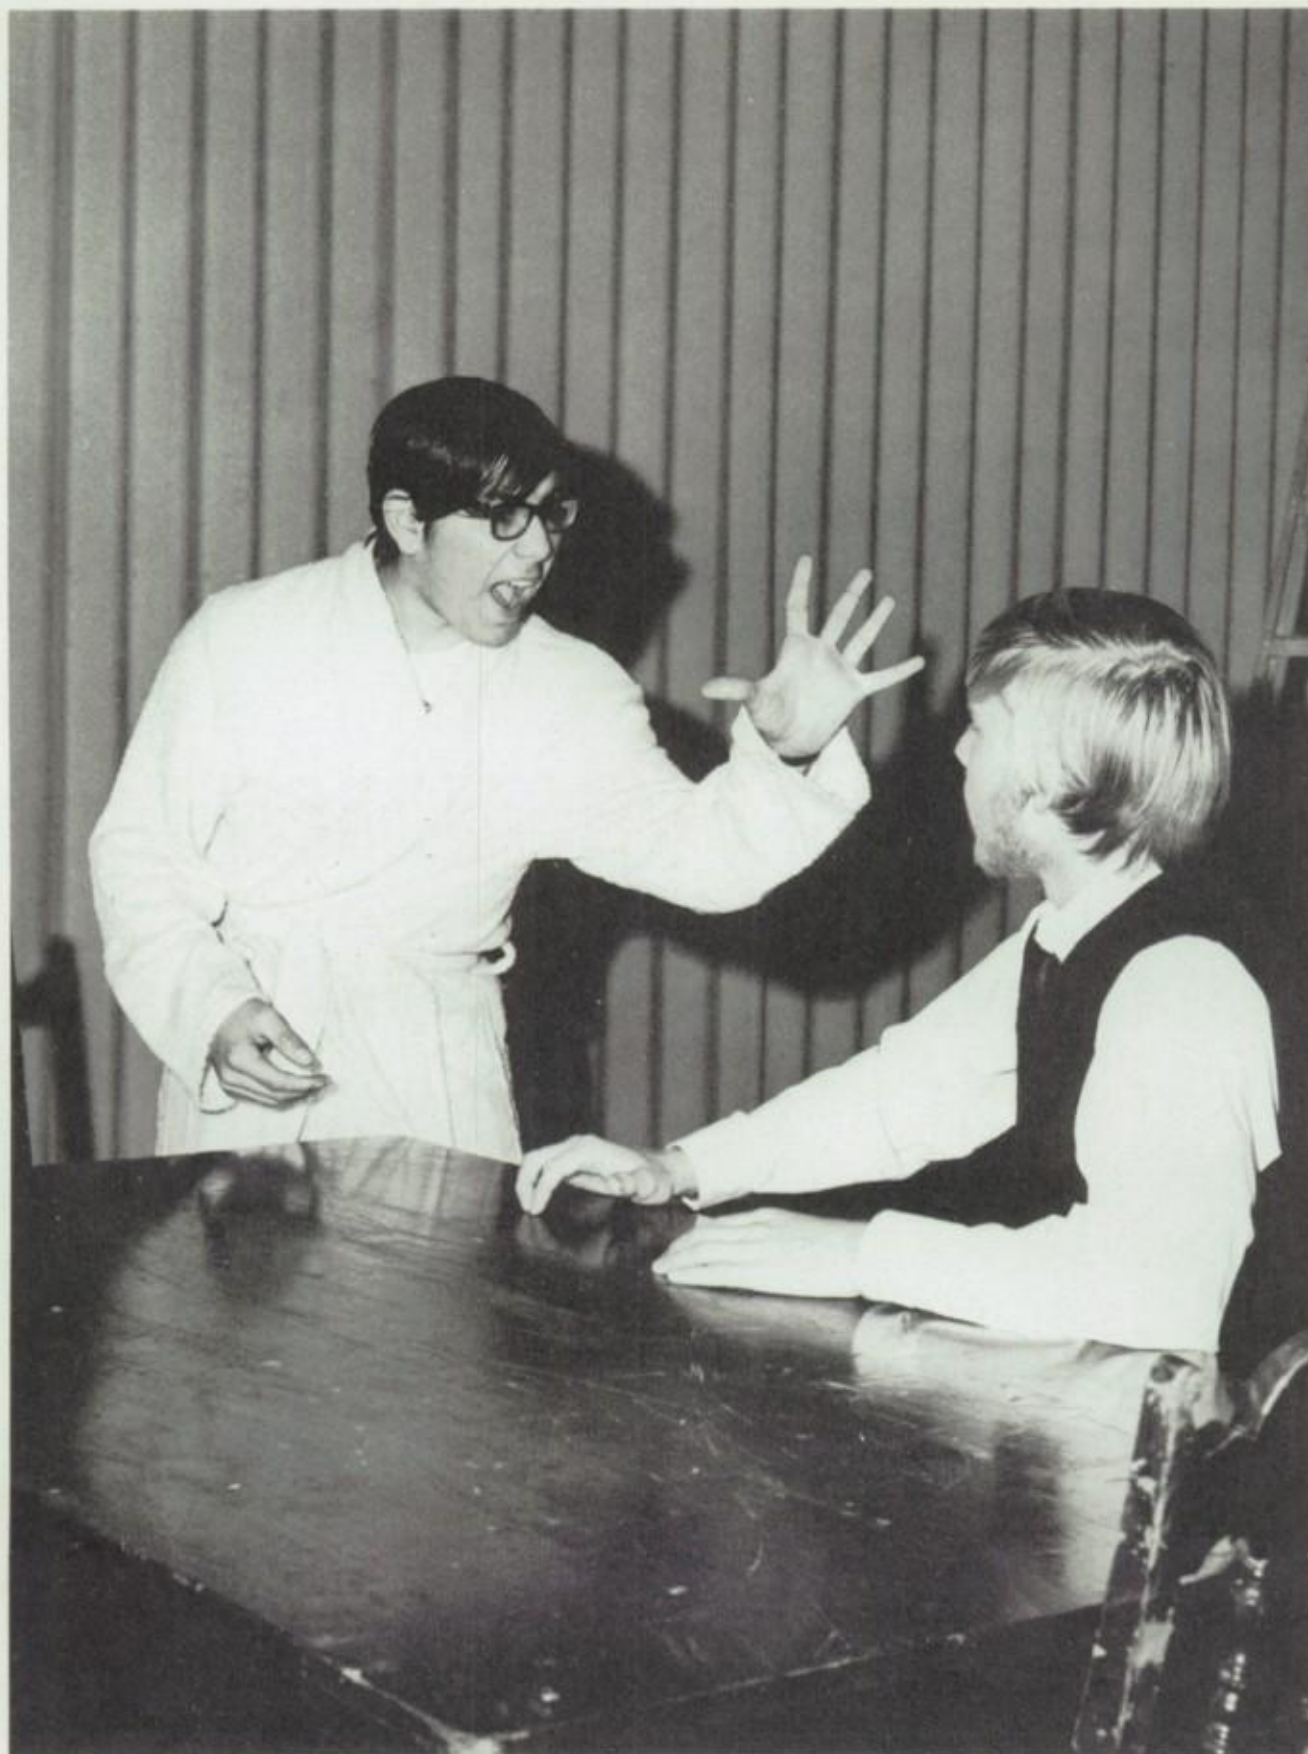

For those scholastically minded, there were tests offered to quiz their knowledge in the field of homemaking. The Betty Crocker National Homemaking test was administered to twenty-five girls at Pioneer, and it covered seven of the more difficult areas of homemaking. Terri Negosian took honors for Pioneer by ranking in the eighty-six percentile.

Thespians Present "Death of a Salesman"

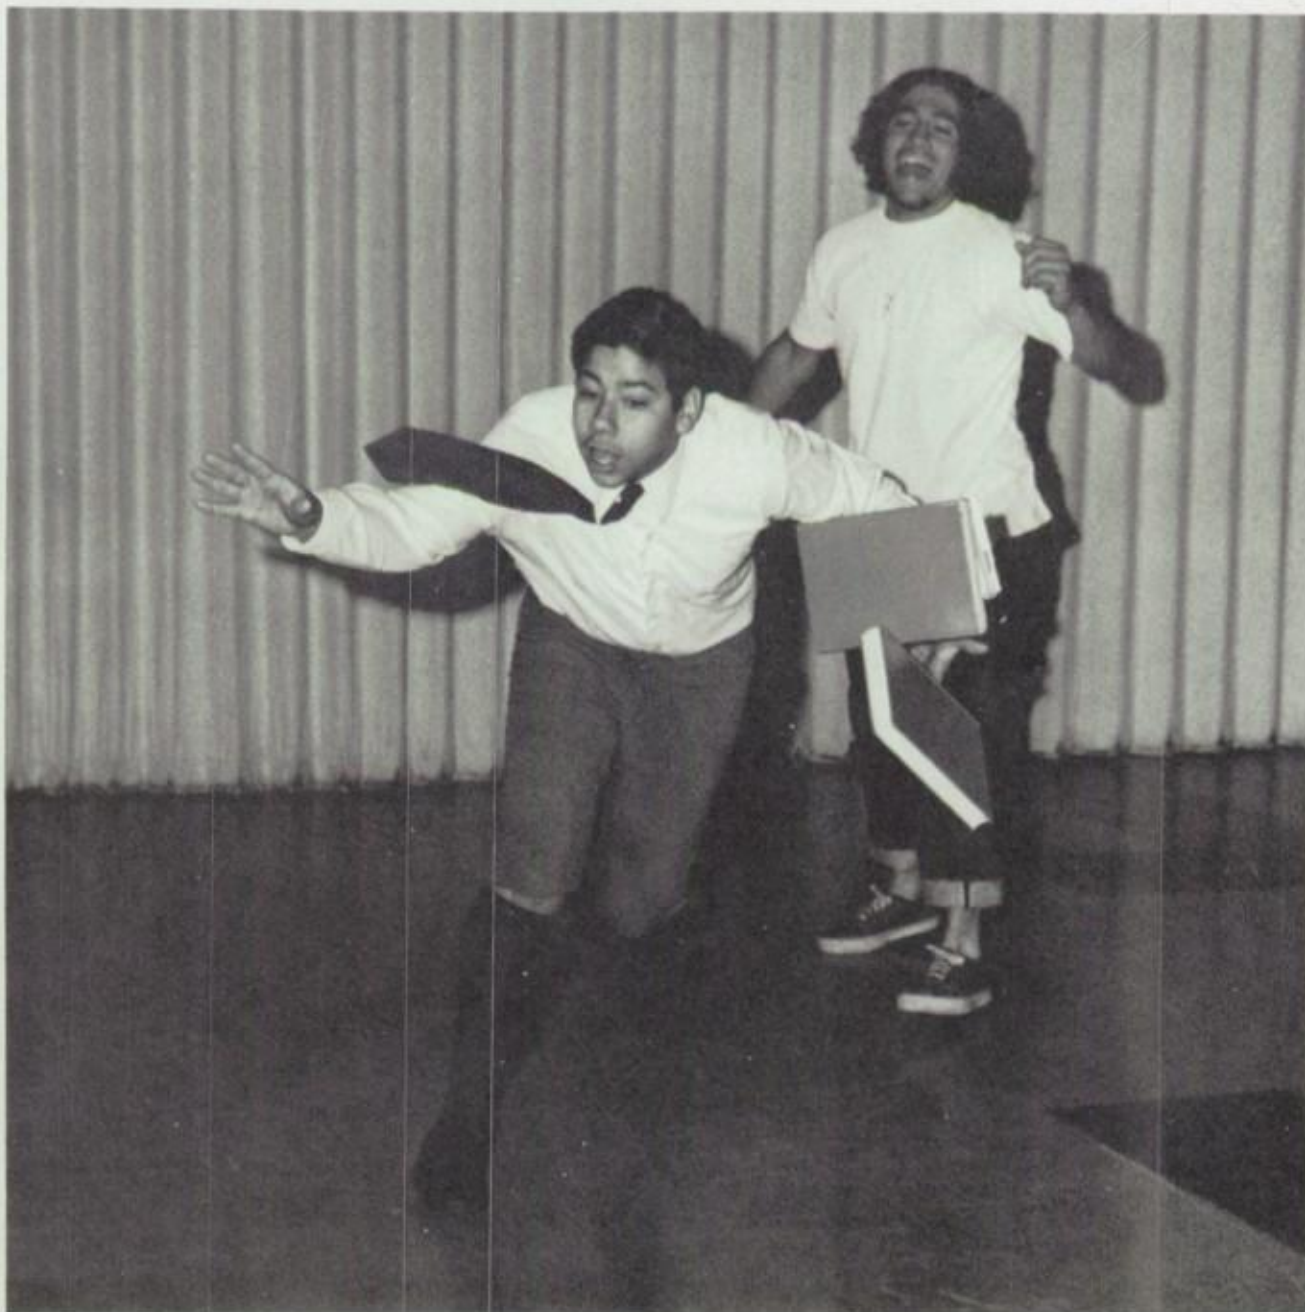

Presented in late January, "The Death of a Salesman" was one of the several Drama Department productions. The play, by Pulitzer prize-winning playwright Arthur Miller, deals with the tragedy of a man who is trapped by his thoughts and dreams, and how he makes his final escape from society. The play was done with "experimental" staging, which helped the production to become an even greater success.

The lead roles of Willie and Linda were played by Paul Popoff and Leslie Ley. Portraying the couple's children, Happy and Biff, were Fred Angelo and Chris Monge. The play was performed under the direction of Bruce Petrell and with the aid of Drama Coach George Whatley.

In the far left photo, after being accused of cheating at cards, Charlie (Steve Sotomayor) tells Willie (Paul Popoff) that next time he will bring five aces. Biff (Chris Monge) dramatically tries to get his father to realize that he, Willie, has and always will be a failure (top center). Happy (Fred Angelo) and Biff make plans for the future, just prior to their retiring for the day (left). In the lower left photo, Biff leaves his seat in a flash to see what has happened to his father outside. Happy, in an attempt to get Bernard (Tom Chevere) to box with him, sends the well-dressed boy into a spinning escape (below).

Titanette Newsroom Presents "Extra! Extra!

Read All About It!"

"Extra! Extra! Read All About It!" was this year's Titanette Review theme. The Pioneer Girls' League presented their annual show on Friday and Saturday, March 17 and 18. The show was under the coordination of Sharon Harmon, and actual preparations for the production began early in February.

Six awards were presented to the various groups on Saturday, March 18. The "Tooth Decay Strikes Again" won the Sweepstakes award, the "Liberated Ladies Lagacy" was awarded second place, and third place went to the "Beeboppers." The Cooperation award, based on the vote of the girls in the show and rehearsal attendance, went to "Hades Hustlers Invade Hyde Park." The Pops' Price, chosen by a vote of the men in the audience on opening night, was won by the "Beeboppers." The Special Effects award, a fairly new item that was added to make the performances more eye catching, was won by "The Land of the Lucky Charmers."

In the photo at top of page, Debbie Moore, Patty Bova, and Roberta Lilly of the "Tooth Decay Strikes Again" begin the performance which won them Sweepstakes. At left, the "Liberated Ladies Lagacy" marches and swirls their way to second prize. Above, Sandy Svensson (kneeling) and Sheliah Wooldridge (standing) of "Bums' the Word" finish their dance.

Kleen Kampus Day, Their Business

Is Picking Up

Kleen Kampus Day was revived this year after there once again became an interest in the appearance of Pioneer's campus. The Ecology Club was responsible for most of the planning for the occasion, but the work was accomplished with the help of many people interested in restoring Pioneer to a state of cleanliness.

After setting the date, preparations began immediately. The event was to consist of anything that could be done to enhance the appearance of the campus. Paint was chosen and help was sought, then enlisted.

On Saturday, March 4, the actual work began. Starting at 9:00 a.m., members of both the sophomore and freshmen class councils were put to work, with administrators, teachers, and cabinet members putting forth their efforts. The groups worked until one o'clock, having painted, cleaned, vacuumed, swept, and raked the campus back into order.

In the large photo at right, Meg screams when she discovers that her hair was singed off, rather than being styled, as her sister Jo (Lynne Rowland) was supposed to have done.

"Little Women" Presented by Talented Girls

In early January, the Drama Department presented "Little Women." The play, adapted from the famous novel, is the Civil War story of the problems that can occur with women when there is no man around the house. With their husband and father off in the battlefield, the mother, her four daughters, and the housekeeper brave through many of the daily battles that can be created through differences of opinion.

The cast, which was directed by Liz Steele, included: Nancy Petrella, Janine Totta, Lynne Rowland, Marie Monsalve, Frances Petrella, Debbie Perez, and Mary Morales.

While her sisters look on, Jo (Lynn Rowland) practices for the "villain's" part in a play that the family will soon present to the younger children.

Titan Tribune Staff Belivers News During Eventful Year at Pioneer

Editor-in-Chief Susan Murphy and Advisor Mr. Harry Robertson

The TITAN TRIBUNE, Pioneer's school newspaper, was once again the product of the Newsstaff, and was published twice a month. Headed by Editor-in-Chief Susan Murphy, the staff met every day during first period to plan and write the newspaper with the aid of their advisor, Mr. Harry Robertson. Working from one deadline to the next, the crew had an enormous amount of writing to do, along with finding pictures that would be of general interest to Pioneer students. When it came to photography, the Pioneer photo department worked hand in hand with the Newsstaff, not only taking pictures, but in producing fine prints for publication.

As was the case last year, Newsstaff was offered as a semester or full year course. But unlike the past, the staff remained almost the same during both semesters. This proved to be quite an advantage when the second semester started because it saved the difficulties involved with training a fresh staff. Of notable importance was the fact that for the first time in three years, rather than having two co-editors, the newspaper had one editor-in-chief. This policy reflects more upon the feelings held during earlier years in Pioneer history.

Sports Editor Wilfred Robles and staff member Beverly Gonzalez get ideas from newspapers published by other schools.

Concert and Cadet Bands Play in Tune

The majority of the instrumental music program at Pioneer is comprised of the Concert and Cadet Bands. The Cadet Band prepares learning musicians for the advanced work involved with the Concert and Pep Bands. Members of the Cadet band are also members of the Pioneer marching band. The Concert Band is composed of more experienced musicians, and performs not only at Pioneer, but also plays for the community's pleasure throughout the school year.

Under the direction of Director Jim Quiroz, both bands worked together in providing music for Titans, and the better members of the Concert Band performed in the Whittier Union High School District Honor Band. That music festival is held yearly in the spring, and is composed of the best high school musicians in the area. Members of both bands also provided music for the Spring Musical in June which was held at the Rio Hondo College Little Theater.

Choir, Titan Tones, and Girls' Glee

Compose Pioneer's Vocal Groups

The vocal music program at Pioneer is one of great variety. The Titan Tones, also known as the Vocal Ensemble, is a group composed of the best singers at Pioneer. In addition to doing programs for assemblies and PTA meetings, the group was often invited to sing before many civic and community organizations. For the first time in Pioneer history, the Titan Tones planned a musical tour of a foreign country to be traveled in March. Sponsored in part by the community, the group planned five major stops in the bordering country of Mexico. Led by Mr. Orr, the group was continually searching for new and different material to perform.

The Choir, largest of the vocal groups, was also under the direction of the Fine Arts Department Head, Ken Orr. Although the Titan Tones composed a good deal of the Choir, many others participated in the musical extravaganzas. The most popular performance held by the Choir was the annual Christmas Assembly in which the groups presented a montage of Christmas music. The Girls' Glee, also a portion of the Choir, is made up of those girls who have a special interest in singing. They also follow the guidance of Director Ken Orr.

Chess Club Makes Intricate Jumps Daily

Meeting every day in Mr. Peterson's room, the 1971-72 Chess Club provided interesting and fun lunch hours for all those who had an interest in chess. The club meetings consisted of chess matches between club members, and between Advisor Don Peterson and club members. The members either began new games or completed games started the day before. They also had competitions to determine ability and rank among those in the club. Led by President Wade Gaskell, the club this year was one of the largest and most active in Pioneer history.

Pep Band Spurs Musical Spirit

Important contributors to events at Pioneer this year were the members of the Pep Band. Commonly seen at assemblies, pep rallies, and games, the Pep Band was responsible for the music which lifted the spirits of the campus. Made up mostly of Concert Band members, this small band proved itself to be one of the more capable music groups, and its size allowed it to be one of the more unique and versatile.

Publicity Club Keeps Students Informed on Important Events

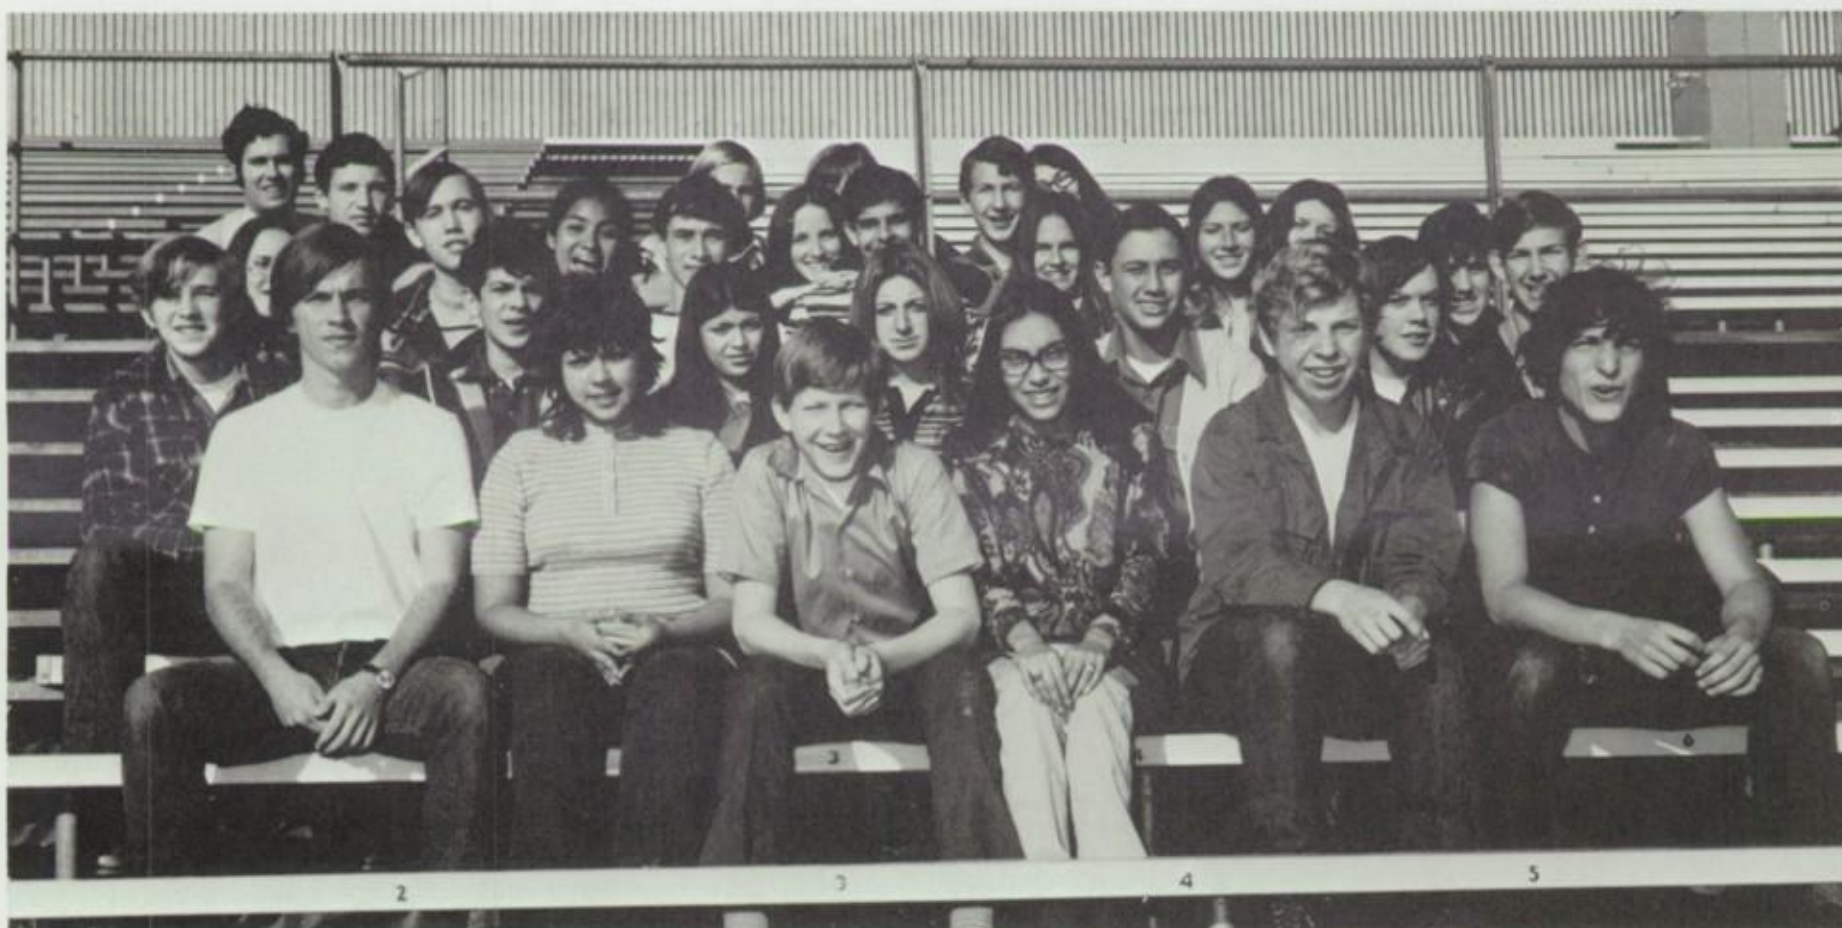

The Publicity Club kept students constantly informed as to activities and school events. Under the direction of Publicity Chairman John Cardoza, the club painted posters advertising dances, games, and other campus happenings. In addition to their advertising work, the group also painted signs and banners which streamlined the stadium during the football season and the gym during basketball season.

When preparing hand bills and pin-on messages, the club was closely associated with the print shop for assistance with design and printing.

Among the events covered by the Publicity Club were: the Spring Musical, the Senior Breakfast, drama productions, and the Senior Mothers' Tea.

Thespians, Speech Squad, and NFL Promote Drama and Forensics on Pioneer Campus

The Thespians, National Forensic League, and Speech Squad are the three Titan organizations very active in the fields of drama and speech. The Speech Squad, under the advise of Mr. Tom Maeder, was the largest in recent Pioneer years. Serving in his third year as advisor, Mr. Maeder arranged for the speakers to compete in many different contests all over Southern California. The main forensic event on the Speech Squad's calendar was the annual weekend excursion to San Diego for the State Speech Qualifier. The National Forensic League, NFL, is the honorary nationwide organization for speakers. Membership is acquired by earning a minimum of twenty-five points in speech competition. After that it is maintained by earning a minimum of ten points yearly.

The Thespian Society is an honorary nationwide drama organization dedicated solely to the purpose of furthering dramatic arts at the high school and college level. To be eligible for the Thespian Troupe of Pioneer, a student must earn ten points by participating in the production of a play. With the aid of Advisor George Whatley, many Pioneer Students were able to take part in a variety of Thespian activities.

German Club Sprouts and Grows in Membership

The German Club, or Deutsch Club as it is fondly called by its many members, swelled tremendously in membership this year. Thanks mostly to the hard work of Pioneer's German teacher and German Club Advisor Dave Lee, the German Club has the largest membership in Pioneer history. Although German classes were not necessary in order to become a member, it proved quite beneficial to be enrolled in one of the four classes offered in the language, primarily because meetings were held during class. This method of meeting insured that each and every member was up-to-date on the latest events and happenings.

Cindy, may the light of God always lead your path. Jesus loves you!!! Rosa.

International Club Supports AFS Program

Primarily a service club, the International Club's main objectives are to raise funds for the American Field Service program and to help promote international cooperation. The AFS program provides the opportunity for a foreign student to attend Pioneer, and for one or more Pioneer students to spend the summer of the school year in a foreign country. Through their efforts we were able to host Tony Durighetto from Brazil, and also to send alumni Doug White to Holland for the year.

Led by Meme Merrill, president, and with the help of Advisor Ron Budensiek, the International Club met every Thursday to plan new money-raising projects. Many such activities included the annual Pancake Breakfast, International Day, and the popular Donkey Basketball game. To raise even more funds, the group sold refreshments at after-school basketball games and participated in the Plymouth Trouble-Shooting Contest.

French Club Continues With New Advisor

With the help of a new advisor, Le Club Francaise, better known as the French Club, continued on in the footsteps of past years. Aided by fluent French-speaking Advisor Helen De Soto, the club's lunchtime meetings gave the members an opportunity to practice speaking the French language. Composed mostly of members enrolled in French III and IV, the classroom interaction proved beneficial, as did the meetings held during noontime.

Mrs. De Soto assumed her new position of advisor this year, along with taking over the four French classes offered at Pioneer. Her schedule consisted not only of teaching French, though, for she also continued teaching Spanish courses.

Photo Club Prints Pleasing Pictures

The Photo Club, although smaller this year than in the past, was still one of the most active organizations on campus. The club held meetings under the supervision of Advisor Jim Rafferty to plan not only entertaining, but also fund raising activities. Among the activities were field trips to the beach and to the zoo. Two other projects were the sponsoring of the monthly photo contest, and the photo display section in the annual Industrial Arts Festival.

The money raised by the club was used to buy new photography equipment for the school. A great deal of money was raised this year by taking color pictures of the Drill Team ranks, the Titanette Review groups, the Pep Squad groups, and by covering the Junior-Senior Prom.

1972 Chicanos for Higher Education Club

Art Club Paints Pleasing Portraits

The Art Club, organized by and for students who have an interest in art, is one of the more unique clubs on campus. Under the leadership of President Claudia Sutton and Advisor Miss Jameson, the members worked after school creating the objects which were later sold to students and teachers.

The Art Club's major project for the year was their annual Christmas Art Sale. In addition to their yearly sale, the club played an important part in the annual Fine Arts Festival, with it's members providing many entries.

Auto Club, Industrial Arts Club, and Varsity Club Still All Cater to Titan Male Interests

On the Pioneer campus there are three clubs that still remain entirely male oriented. The Varsity Club, the Industrial Arts Club, and the Auto Club were strictly male membered this year.

The Varsity Club, which is dedicated to the promotion of athletic activities on the Titan campus, is composed of Pioneer athletes who have earned one or more Varsity letters. Throughout the course of the year the club worked on carrying out many of their traditional activities. Included among these was the planning of the Varsity Club banquet, planning sports events in general, nominating Homecoming candidates, and selling refreshments at basketball games.

For those students who had more than a passing interest in any of the industrial arts, the Industrial Arts Club allowed them to work with other students so that they might improve their own skills. Of primary credit to the Industrial Arts Club was their presentation of the Industrial Arts Festival. During their annual show in the spring they displayed and sold many unique items that students had made.

Made up primarily of students enrolled in auto shop classes at Pioneer, the Auto Club members used their club hours to delve deeper into the workings of a car. The club was also responsible for the planning of the yearly car show, and was thinking of holding another competitive road rally in which all students would be welcome to enter.

Luis Hernandez

Expanded Horizons: Still Growing

By far the largest organization on campus, the Expanded Horizons Club put in another active season this year. Mr. Luis Hernandez, fulltime Expanded Horizons Director and Coordinator, helped plan the activities for the group which began during last summer. All of the activities were designed to be beneficial both educationally and culturally. Included on the summer agenda were excursions to: Corona Del Mar, Long Beach, the Los Angeles Museum of Science and Industry, Cabrillo Beach, and the San Diego Zoo. For those students that went to summer school there was a ten day trip to Yosemite National Park in early August.

During September the Expanded Horizons members went to the Los Angeles County Fair in Pomona. Other activities for the year included trips to the Los Angeles Times Grand Prix Trials in Riverside, Cal State College in Fullerton, and the Wrightwood Mountains.

Expanded Horizons also helped many Pioneer seniors in their quest for college funds, admissions, and scholarships. During the 1970-71 school year eighty-three seniors were admitted to colleges through the Expanded Horizons Program.

Occupational Nurses Gain Valid Experience

The Occupational Nurses, formerly the Future Nurses Club, is that organization which gives interested girls the opportunity to have on-the-spot training in hospitals and nursing homes in the community.

Under the direction of Registered Nurse Mildred Crane and Pioneer Nurse Doris Dean, the girls, along with others from neighboring high schools, went to the hospital in the mornings of school days. While in the hospital, the girls assisted regular employees in the care of patients. Through this vocational training the girls experienced first-hand many of the things they would later encounter in a nursing career.

EWEE Program Gains Participants and New Stations

EWEE, or the Exploratory Work Experience Program, enables students to work in fields that they feel they might have an interest in. Carried out under the guidance of Advisor Kathy Stanger, the program not only allows students to investigate many different occupations, but to also receive classroom credit for their work.

Many possible jobs are offered and students are able to observe and help a businessman or worker in almost any area of employment. The group has not merely grown in the past few years, but through the efforts of their advisor, has multiplied in membership. Outlets for students have also increased, giving students a wider choice of posts to explore.

During the year, students worked on their assignment for two to six weeks, and in that time were usually able to decide whether or not they would like to go into that vocation after they graduate. To help students even more, Mario Machado, KNXT Newscaster, was scheduled for a guest appearance in the spring. This was to be of particular help to those students interested in broadcasting.

Future Secretaries Raise Funds for Pioneer Business Department

The Future Secretaries Club of Pioneer provides the opportunity for many Titan girls to further explore the demands made on qualified secretaries. The group is dedicated to raising money to buy office equipment for use in the Pioneer business classes. The president of the club, Beatriz Perez, worked with Advisors Kathy Stanger and Darlene Staib in organizing money raising programs. The club met on the first and third Tuesday of every month, and some of the items they sold were: suckers, candy canes, dictation pads, candied apples, and popcorn at afternoon basketball games.

The secretaries planned two major events this year, and one of them was a field trip to the stock brokerage of Mitchum, Jones, and Templeton. They also planned and presented their April Brunch, at which they award a Pioneer secretary with their "Secretary of the Year" plaque.

Hopeful Bike Club Never Gets Rolling

Pioneer's Bike Club started off with high hopes of arousing more people's interest in bicycle journeys. The group formed in November with the aid of Advisor Cindy Waian, and made plans for rides in to be made in the future. With ecology in mind, the club hoped to stir up enough interest in people to provide them with a large and active group. Due to lack of cooperation and no steady interest on behalf of the members, however, the club disbanded in early January, shortly after their picture was taken for the yearbook.

Bike Club, First Row: Marc Palozzi, David Rangel, Stewart Han, John Kelson, Cheryl Gustavson, Stephanie Warrick. Second Row: Mike Boyak, Rueben Dumas, Jotty Johnson, Dean Jackson, Scott Hagaman, Mark Dickinson.

Ecology Club Works Hard to Meet Important Goals

Basically a new club this year, the Ecology Club started to work even before it had officially obtained a charter. Club President Karen Olsen and Vice-President Mark Wiens worked with Advisor Woody Odonaka in setting their plans and goals for the school year. One of their major concerns was to try to make the Titan campus cleaner. Included in plans was a Kleen Kampus Day to be held during March.

The club was also busy preparing for Earth Week. They set aside a week in April, and had the help of the Freshman and Sophomore Councils plus anyone who volunteered. The main purpose of the week was for speakers to visit different classes and explain to the students what the different areas of pollution were and what must be done to control and halt them.

Ecology Club, Kneeling: Robert Sciarilli, Mark Wiens, Jeff Widen, Robert Martin, Joel Burns. Standing: Sherry Holsted, Janie Cherokee, Ana Castro, Kathy Lansford, Jeanette Acken, Francelia Gonzales, Debbie Marker.

Hiking Club Climbs to New Heights

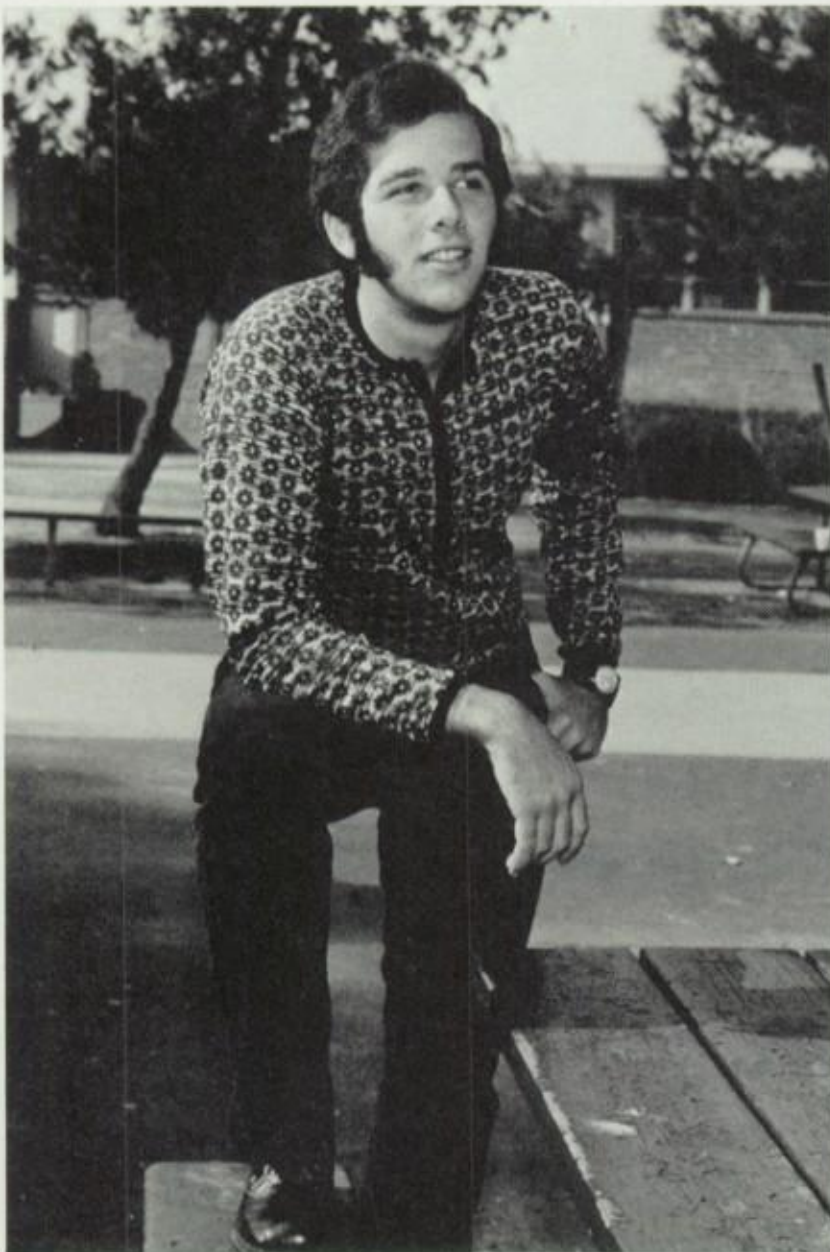

One of the more constantly active groups on the Pioneer campus is the Hiking Club, and this year proved no differently. Advisor Jim Johnson worked with Club President Wayne Walker and Vice-President Angela Martinez to plan many weekend hikes into our local Southern California mountains. The trips were usually taken on Saturday, or else overnight through Sunday.

Hikes this year included trips to Little Jimmy, Mount Low Trail, Ice House Canyon, Chantry Flats, Spruce Grove, and Crystal Lake. Backpacking trips were also planned for Mount San Jacinto and Mount San Gorgonio.

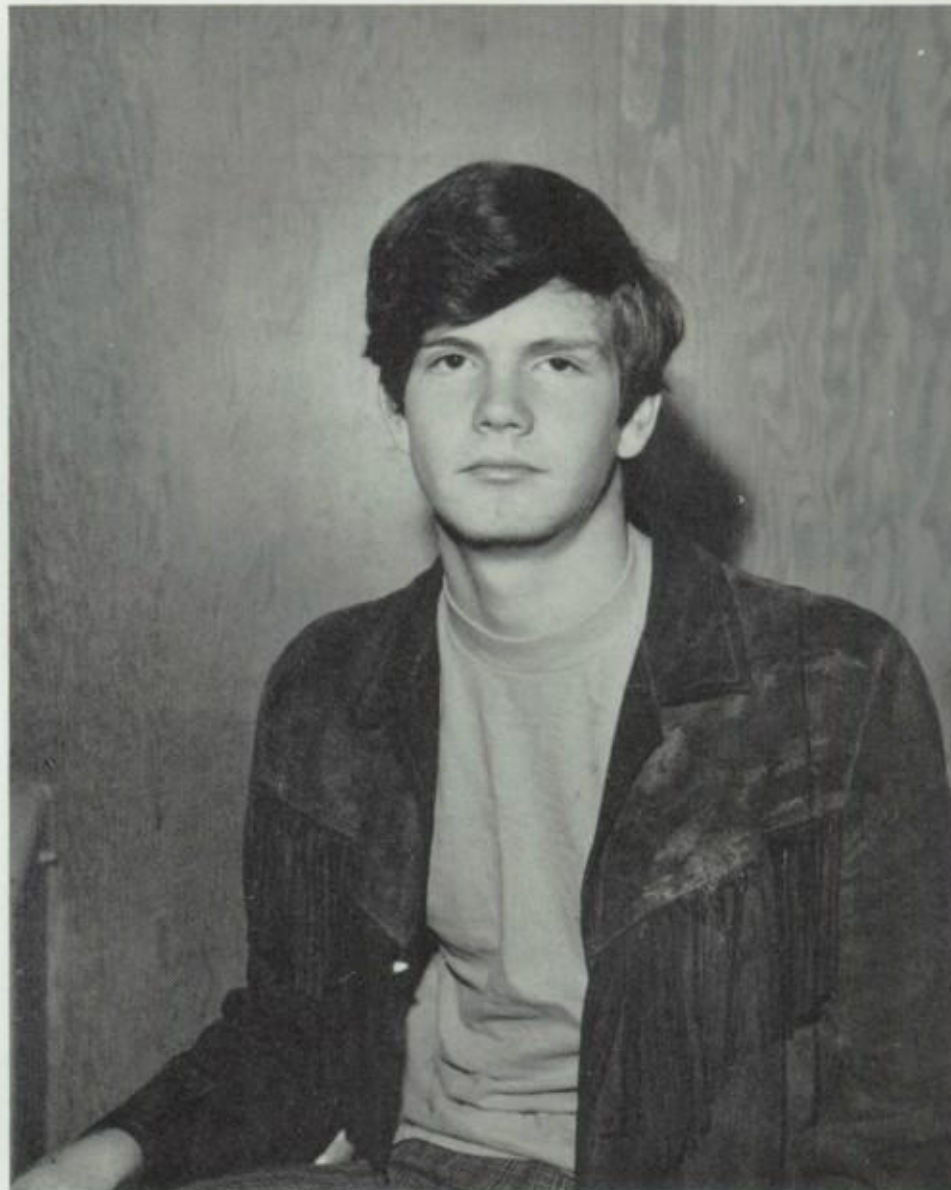

Hiking Club, First Row: Roberta Lilly, Valerie Richards, Bonnie Wubbenhorst, Donna Smith, Ann Uhas, Nancy Hurtado, Teri Kilgore, Nadine Nuanes, Angela Martinez, Melani Martinez, John Kelson, Dino Valenzuela, Mike Apodaca, Eric Guth, Advisor Jim Johnson. AFS and YFU Bring New Students to Pioneer

The American Field Service makes it possible for Pioneer to bring a foreign exchange student to the school each year. This year, through Pioneer's participation in the AFS program, Tony Durighetto from Brazil attended Pioneer. During his stay at Pioneer he made his home with the Atherton family. Tony participated in a number of activities while attending Pioneer. He was a member of the Associated Student Body Cabinet, and he participated in all activities of the International Club. One of Tony's major interests, however, was in soccer, as he proved when he played on the newly formed Pioneer soccer team.

Doug White, a Pioneer graduate in the Class of 1971, was an AFS Representative during the school year 1971-72. After being selected by the American Field Service, Doug was placed with a Dutch family in Holland.

Similar to the American Field Service is the Youth For Understanding organization, or simply YFU. Both programs are national organizations with adult chapters at many high schools in the United States. Through the YFU program Pioneer received another representative from South America, Marcello Villahoz. Marcello arrived at Pioneer in early January, after spending two days in Michigan being briefed on the customs of Americans. Marcello made his home with the Rodriguez family, and he too worked with the International Club. Marcello demonstrated that soccer was also one of his main interests.

1971 Football - They Tackled It Again

Under the direction of Mr. Bob Spindola, the Varsity Football team again enjoyed a very outstanding season. For the second year in a row the Titans took the league title, moving to the San Gabriel Valley League. From there the team went 5-0, enabling them to enter the C.I.F. playoffs. Participating in two post-season C.I.F. playoff games, the Varsity ended the season with a 9-2 overall record.

In the biggest game of the year, the mighty team defeated the number one rated Bellflower Buccaneers by a score of 14 to 7. It was an emotion packed game where the score hung on the final play of the game. After that important game the Titans lay claim to the C.I.F. rating of Number One, and went into the playoffs. The win over Bellflower earned us a tie for the league championship, with that title being won outright when we beat Excelsior the next week.

Ruben Elizalde, during the course of the season, became the C.I.F. second all-time passing yardage leader. His efforts, along with Art Aranda's, earned both of them all-C.I.F. honors, with Ruben the first team quarterback and Art the second team split end. Those two, with seven other Titans were named to the all-San Gabriel Valley League team, with Art Aranda playing both on offense and defense. Elizalde was named back of the year in the S.G.V.L., Art Aranda the lineman of the year, with Jim Viramontes, Fred Johnson, Mike Delgado, Steve Ramos, Mike Gonzales, Greg Branham, and Curt Autenrieth also being picked.

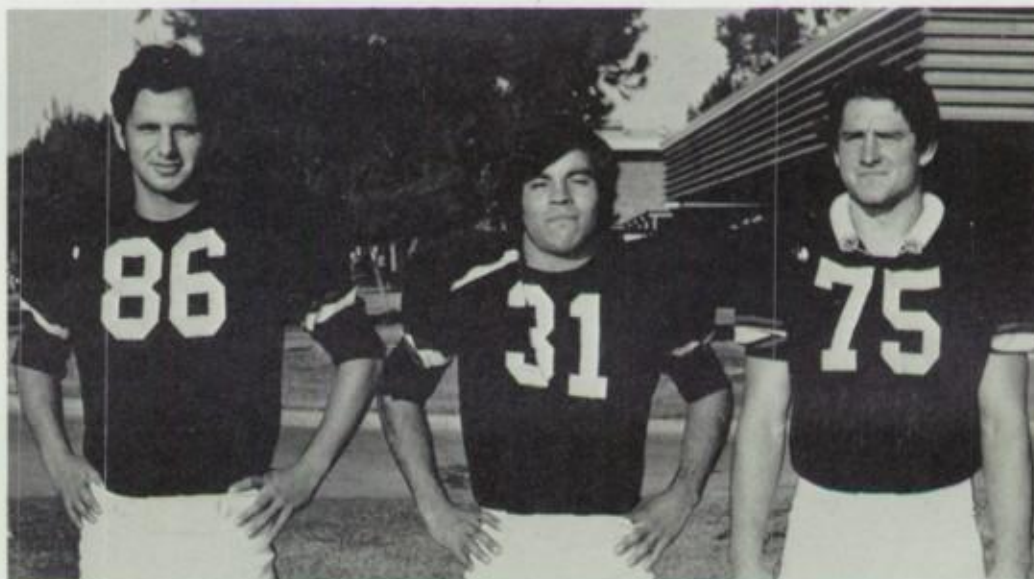

In the annual banquet held for the football team, Art Aranda was picked lineman of the year, Curt Autenrieth back of the year, and Ruben Elizalde most valuable player.

Sophs Finish Second in SGL Race

Most teams that lose just one game during a season end up as league champions, but that was not the case with the Pioneer sophomore football team. Going undefeated during the pre-season, the sophomores lost their first league game to the Norwalk Lancers, the eventual winner in the San Gabriel Valley League. Norwalk won four out of five, as did the Titans, but Norwalk had a tie in their record, compared to Pi Hi's soph's one league loss.

Coach Howard Pollock felt that the steady improvement of the sophomores during the course of the season had developed future starts for next year's varsity team. Among those were Quarterback Robert Reyes, Outside Line Backer and Wide Receiver Lawrence Jordan, Half Back Victor Jiminez, and Wide Receiver and Defensive Back Pierre Arsenault. Others who looked promising throughout the season were: Robert Glorae (starting tackle, both ways), Pete Rodriguez (middle linebacker), and Robert Rodriguez (safety and halfback).

Undefeated Frosh Take SGBVL Title

Hard work and a lot of determination was justly rewarded to the Freshmen football team. The frosh earned the San Gabriel Valley League title this year, going undefeated and being a downright awesome foe for the opponents. The freshmen defense gave up only two touchdowns during the entire season, both coming on the ground with the third or fourth unit on the field. The offense scored in excess of over 260 points, led by the knowledgeable quarterbacking of Chris Terrazas. During the season, Terrazas would unleash bombs to Wide Receivers Dave Roman and Jose Ramos, and throw short passes to Rudy Constancio.

The defense was headed by Middle Linebacker Bill Arce, and a strong defensive back field including Ramos, Terrazas, and Roman. On the offensive line, George Cuevas, Keith Ornelas, Jaime Lopez, Steve Casillas, Sal Barone, Geoff Sanders, and Robert Wong would protect Terrazas and open holes for the running game. The defensive line consisted of Ornelas, Casillas, Cuevas, Tony McAfee, Barone, and Wong. When the offense could not move through the air, Greg Gonzales, Art Guerro, and Bill Arce would grind their yardage out on the ground.

Two Aquamen Make All-League Team

This year's Varsity water polo team, after breaking in their new coach, Mr. Ed Cooper, was very successful in the pre-season games. Going into league play was a completely different story, though, as the Aquamen were unable to win even a single game.

Among the highlights of the season were: capturing the Consolation Round of the Monte Vista Tournament, a come-back against Lynwood in the final seconds of the game, and the naming of two Titans to the All-Whitmont League team. Senior Bill Parks was named to the First Team and Junior Ken Brecht received league Honorable Mention.

As with tradition, awards were given to the players at the end of the season. Bill Parks was named the Outstanding Graduating Senior, Ken Brecht was the Outstanding Varsity Player, Jim Percy was the Outstanding Lower Division Player, and Jesse Gallop won the honor of being the Most Improved Player.

Runners Fair Average

in League Races

The Cross Country teams were again hindered by having few members. Running with a new coach, those who participated found that the sport could be personally profitable as well as fun.

Coach Barry Blade, however, watched the teams as a whole go through a rather blight season. The varsity held a league record of two wins and three losses, compared with their overall season record of two wins and five losses. Their two-and-five record ranked them fourth in the San Gabriel Valley League.

The four top running men for the varsity were Marty Grandusky, Marc Palozzi, Albert Valdez, and Wayne Walker. In a JV race at the Calhi invitationals Marty Grandusky took first place, Albert Valdez third place, and Marc Palozzi placed fifth. In the Rio Hondo invitationals where runners compete against those in their grade level, Marty Grandusky took 12th place and Albert Valdez took 19th, both of them winning awards.

One of the more unusual events for the team was a night race against Bellflower in which the teams competed before the varsity football game and during the half-time break.

Varsity Cagers Snare League Title Fourth Year in a Row

For the fourth year in a row, the Varsity basketball team participated in the CIF play-offs. They were knocked off in the first round by Covina, 91-50, but how they got there was exciting.

In a dog-race for possession of the San Gabriel Valley League title, the Titans finished the season in a tie with Calhi, both with 7-3 records. It took the last game of the regular season to decide who would get the final play-off berth. The Titans hung on to defeat Excelsior and Bellflower, who captured the title a couple of games before defeating Calhi, leaving a tie in the standings.

Among the pre-season highlights were winning the Temple City Championship, being runner-up in the Pioneer Tournament, and taking fourth place in the Lakewood Tournament. Leading the Titan team was the one-two combination of Jim Smith and Russell Mills. Both were named on the All-League team and Smith was third team guard on the All-CIF list. Russell led the Titans in rebounding, hauling down fifteen a game, while Smith led the team in scoring, with a 21.5 average, and also led the team in assists. Smith was named on the All-Tourney team in the Lakewood, Temple City, and Pioneer Tournaments. In Temple City he was named the Most Valuable Player. Mills was also on the All-Tourney team at Temple City.

Junior Varsity Captures Third Place in SGVL

The Junior Varsity basketball team suffered through a tough season this year, but did finish at third place in the San Gabriel Valley League with a 3-7 record.

Maybe just as important as their record, this year's JV team supplied a lot of varsity prospects for next year. Among them were Pat Smith, who led the JV Cagers in scoring with a 14.3 average, followed by John Schultz, who after a disappointing season cleared a 12.9 average.

Though ending the season 9-15, the hoopsters played well in most of their games, and looked forward to making a stronger showing next year.

Runner-Up Bees Enjoy Successful Season

Under the first-year coaching of Greg Mooers, the Bee's enjoyed a very successful season. They were the runner-up team in the San Gabriel Valley League, with an 8-2 record. Going into competition 4-4, the Bee Cagers went undefeated in the first round of the league. Their losses in the second round went to Norwalk, and, by a two point loss, to the eventual champion Bellflower.

Leading the Bee's in scoring was Chris Terrazas, with a 12.9 average, closely followed by Jim McCraw (12.1), and Ernie Contreras (11.2). Contreras was also the team's top rebounder, assisted by Randy Stover. The tough Bee Defense was led by Jim Crockett, who also added 5.3 points a game, and Rudy Macias, with a 7.6 average. Ernie Traches and Frank Valle made strong contributions off the bench. Single game scoring honors went to Terrazas with 24 against Whittier and 23 against Monte Vista.

Greg Mooers commented that his team was 12-2 against the straight Bee teams. Their four losses in pre-season were to teams that were the second best team in the school.

Cees Capture League Co-Championship

Bouncing back from a poor season the year before, the Cees captured the co-championship of the San Gabriel Valley League with a 7-3 mark. Overall they were 12-6, and had it not been for a slow start they would have done much better. As the season progressed, the consistency of the Cee Cagers improved. They became an explosive offensive unit and a stingy defensive team.

Four freshmen starters for the Cees promise to brighten the future for the varsity. Leading the Cees were Steve Cota and David Roman, and off the bench it was Mike "Instant Point" Soltero and Art Robledo.

SGVL Title Awarded to 1972 Dees

The Dees won the league title this year, backed by a good press, good teamwork, player hustle, and confidence. The team members were: Jack Alvarez (sophomore guard and only returning player), Max Jiminez (guard), Luis Madeza and Mike Madrigal (forwards, and Mike Branham (center). Substitutes for the team were Fred Pena, Bob Neil, and Louis Rorabough.

The team went undefeated until after the Sierra Tournament, and with a fine season record, the group showed some strong advancing players.

Wrestling Team Fares Well, Five Move On to CIF

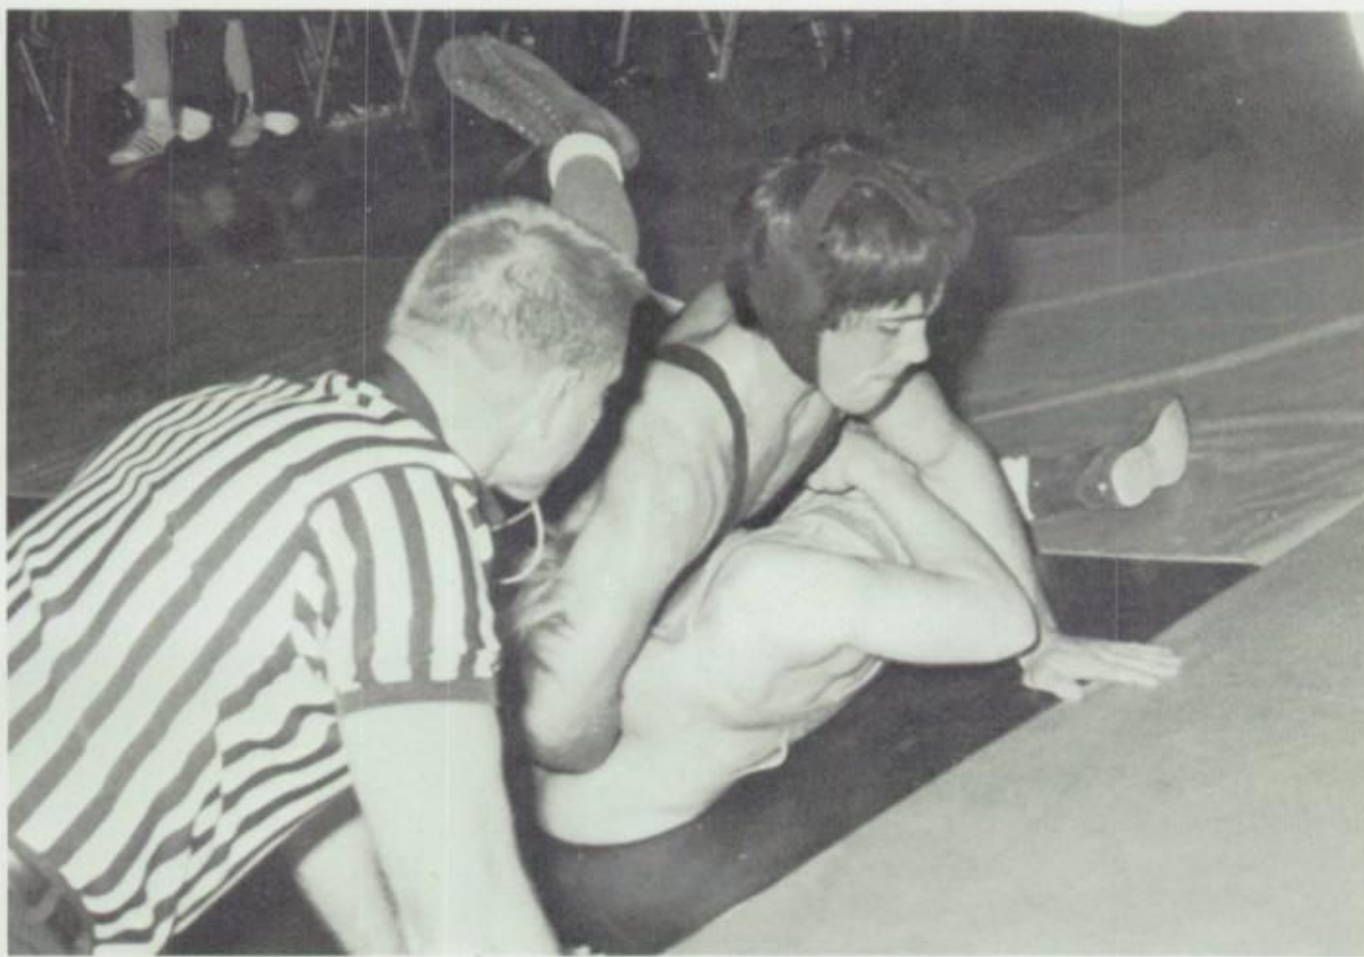

The 1971-72 wrestling season was viewed as a mixed year of good wrestling and unfortunate injuries. Enjoying a good season this year were: 98-pounder Richard Reynosa, League Champ and La Serna Tournament Champ; 106-pounder Adolph Monsalve, 123-pounder Mario Ontiveros, 136-pounder Mike Kirylo, and 194-pounder Jim Viramontes. All of these wrestlers went to CIF Prelims. Two pleasant wrestling surprises for Pioneer were Pierre Arsenault at 141 pounds and Ralph Dickinson at 148. Next year's season promises to be a fruitful one since only three team members are seniors this year, and the majority of the others will be returning.

First Year Soccer - Success!

In its first year of existence, the Titan soccer team enjoyed fine success. Winning 6 out of 12 games, with four losses-two ties, they finished third in Southern League play. The team was coached by Richard Preston and his assistant, Ismael Morales, a former Pioneer student now attending Long Beach State. Five Titans were honored on the All-League team. They were: Rafael Miranda, varsity captain and the team's Most Valuable Player; Hector Mercado, goalie; Jim Garcia, left wing; Luis Diaz, center forward left; and Rafael DeLeon, center forward right.

Among the season's highlights were the tarnishing of the perfect record of the league champion, Bosco Tech.; the winning of the match, in a second overtime, against Fountain Valley; and, in a hard-fought battle, the 1-1 tie with John Glenn High in the last minute of the fourth quarter.

Titan Glovers Show Strong Pre-Season

Jaime Garcia releases a high curve from the pitcher's mound.

The Varsity Baseball team, with a recent display of good defense and outstanding pitching, took hold of the top spot in the San Gabriel Valley League. Going undefeated in their first three games, the Titan glovers now have a seasonal mark of 6-4. Heading the pitching staff is Gilbert (Veto) Rodriguez. At press time, his record was 5-0, with two victories in league play. When not pitching, Gilbert heads the infield at first base. The other infielders are senior Louie Mojarro (second baseman), sophomore Richie Garcia (shortstop), and junior Rick Carrillo (third baseman). The catching chores belong to Ruben Elizalde, who contributes a lot to the Titan offense.

For the JV's, it looked like they were going to give opposing batters fits with the fiery start they had. In their first four games, the pitching staff gave up no earned runs and they won three of the first four. But, as time wore on, the magic the pitchers once had seemed to vanish. The JV bats couldn't produce, and the pitching staff failed to hold the opposition. A key injury to Lawrence Jordan, and the absence of a couple other players took a big bite out of the JV team.

Hurting in the pitching staff, the freshmen have been struggling throughout the campaign. With an injury to Bill Arce, Steve Cota handled a lot of the pitching duties, with Russ Sigmen as back-up man. Leading hitters for the frosh are Greg Gonzales (first base), Bob Wilkinson (second base), and Steve Cota (shortstop, pitcher). At press time, the frosh record was 4-6.

Pre-Season Wrinkles

The 1972 Varsity Golf team, with a practically all-freshman cast, will face fierce competition this season. Led by Chris Dore and Mike Perfecto, they will try to combat the stiff opposition ahead. The golfers, who practice twice a week at Whittier Narrows, haven't had much success in their first three pre-season matches.

JV has fared much better, though. They've won three out of five games.

The best performance this year was by Chris Dore, who shot a 40 against Sierra.

Titans Swim to Successful Season - New Records Are Set

It's been a successful season for the PiHi mermen. A couple of new school marks were set during this past year.

At the varsity level, seniors Bill Parks and Jim Didway, along with juniors Richard Van Daalen Wetters and Ken Brecht, contributed to their team's record.

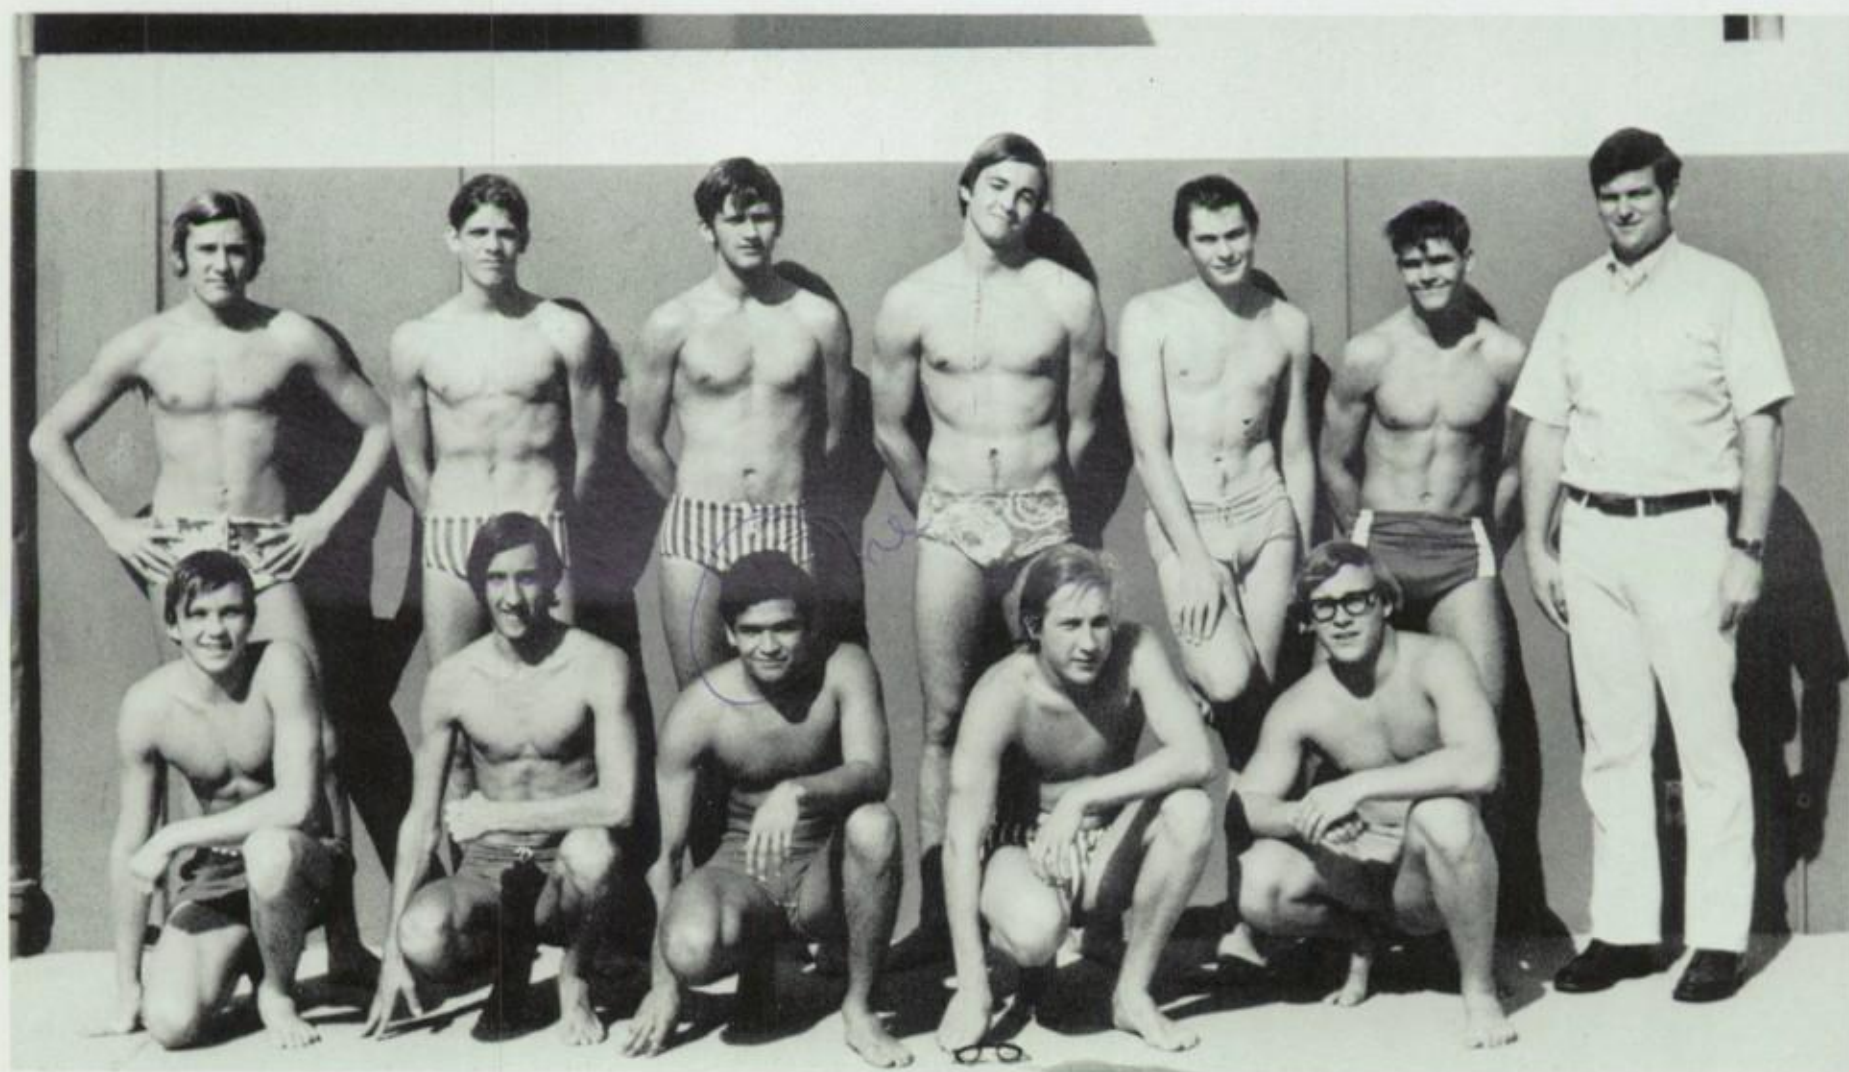

In the Bee 100-yard freestyle relay, the team of Pete Rodriguez, Jesse Gallop, Jim Percy and Ken Brecht broke the old mark of 3:45.9 with a new one of 3:44.5. The same team placed eighth among sixty schools in the fifty-yard butterfly relay.

For the Cee team, strong swimmers were Randy Guiboa, Dave Larmore, Jim Percy, Bruce Tamp and Ron Stratton.

Doug Newby is shown in the high dive event against Whittier.

Gymnasts Strive For Strong Season

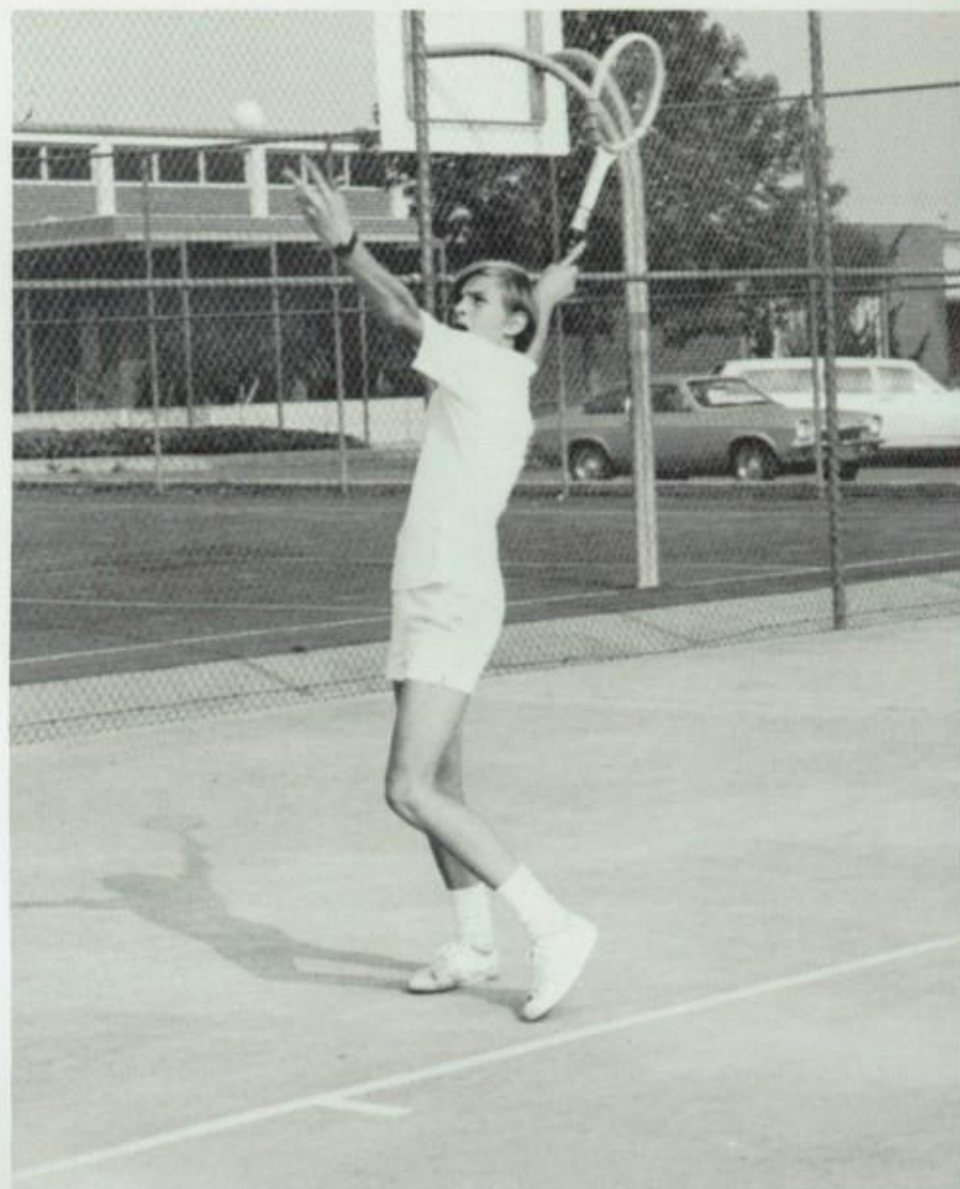

Due to the disappointing loss of several key performers on last year's team, Pioneer's gymnastic team appeared weak this season. The team consisted mainly of ninth and tenth graders, and a rebuilding process was evident all season. The team has suffered from the lack of experience, but time and practice cure that.

The outstanding freshman was Jesse Rodriguez. The most improved gymnast and highest all-around scorer was Edgardo Vich, a tenth grader. Two outstanding performers from last year's team were Richard Esparza and Bill Heard. Esparza was this year's team captain, while Heard was elected co-captain.

Underclassmen Compose Majority of Titan Net Set

Pioneer's tennis teams struggled through a disappointing season, but because both teams were made up primarily of underclassmen, Coach Stu Kauffman expressed confidence in their chances for a better record next year.

There was a marked increase of interest in tennis this year, and in spite of the scores, the morale of the teams remained high.

In the photo at top of facing page, Dan Adkins gets caught off guard just prior to unleashing his serve. Below that, Richard Rodriguez drives a shot back over the net at a speed faster than it came. Steve Usselman prepares to smash his serve over the net in a game against Monte Vista (upper right). Above, Dana Jewell easily returns a shot, and in the spirit of the sport, shakes hands with his Monte Vista opponent after the match (right).

Trackmen Aim to Break School Records

Though the "thinclads" are winless, they have been steadily improving, as their record indicates. The highlights of the season have been the breaking of several school records.

Denis Kitayama is one of the better men on the hurdles for the varsity. The team of Curt Sinclare, Mike Huntsinger, Denis Kitayama and Marty Grandusky set the record in the 440 relay with a time of 45.5. In the Bee division, Hector Mercado broke the record in the high jump with a 5'8 3/4" showing. The rest of the squads have done well in several meets. For the Bees, Fred Vartanian has been a strong performer in the long distance runs and Mercado in the high jump. For the Cees, Robinson Velez has done extremely well in the sprints. Jeff Robertson has scored in the high jump and the hurdles. The two-man combo of Robert "Boover" Mendoza and Robert Villalobos has kept the varsity in several meets with their performances in the pole vault.

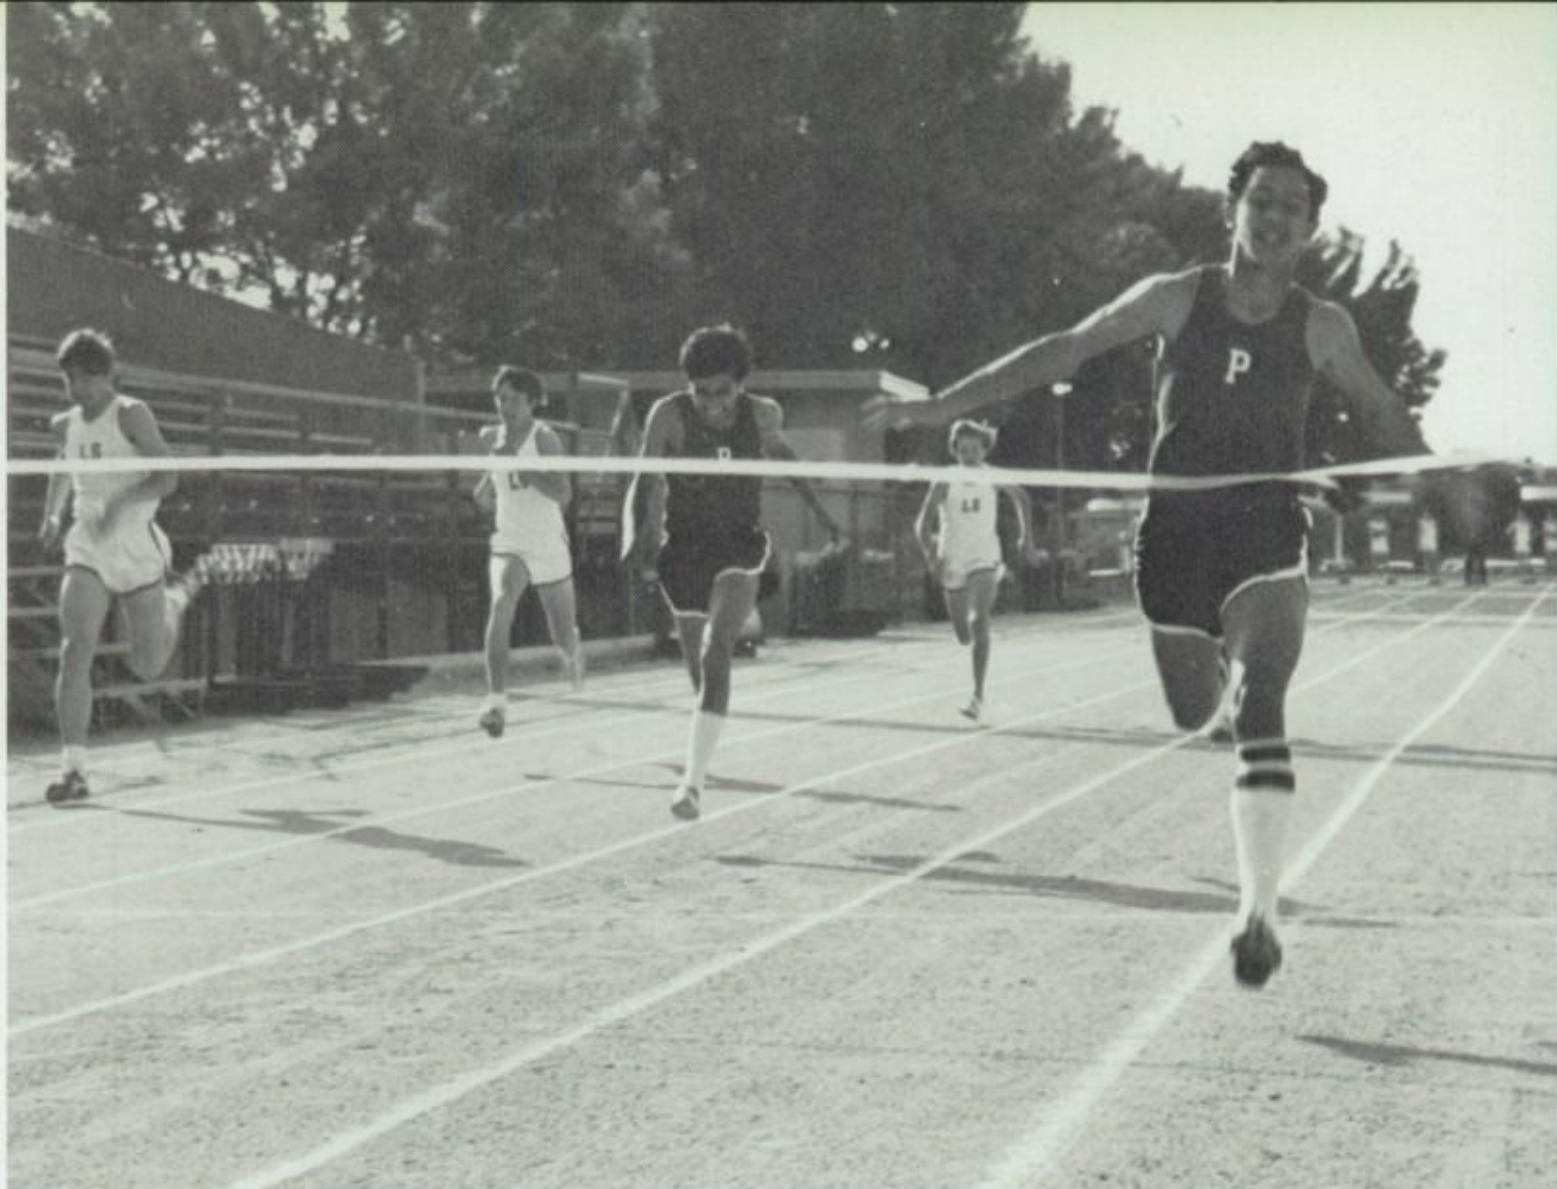

This year's tracksters are being coached by first-year man, Barry Blade. His assistants are Richard Martinez, Dick MacDonald, and student-teacher Bob Ollmen.

Varsity Track Team, First Row: Curt Autenrieth, David Brewer, Andy Espinosa, Mike Huntsinger, Carlos Delgado, Curt Sinclare, Wayne Walker, Rudy Robledo. Second Row: Gary McCluskey, Chris Nemecek, Wayne Gaither, John Menzel, Marc Palozzi, John Mendoza, Denis Kitayama, Rudy Martinez, David Grijalba, Robert Mendoza. Third Row: Tony Durighetto, Gilbert Padilla, Marty Grandusky, Mike Gonzales, Larry Kutlesa, Art Aranda, John Simon, Keith Ornelas.

Hector Mercado clears a hurdle in the Pioneer Stadium.

In the top right photo, facing page, Hector Mercado employs a rather unorthodox style to clear the bar in the high jump against La Serna. Below that, Denis Kitayama becomes airborne while striving for distance in the long jump. Robinson Velez breaks the ribbon and takes first place in the Cee hundred-yard dash against La Serna (top center). Both Ed Garcia (above) and Tony Durighetto (right) build the momentum necessary in heaving the shotput.

Popular Turnout For GAA Sports

Headed by President Laura Trippy, the GAA program played an important part in the activities offered for girls this year. Knowledge of the basics of sports, good sportsmanship, and teamwork are the main objectives stressed. The GAA program includes sports such as: baseball, volleyball, swimming, tennis and basketball.

Miss Carole Gerlach, GAA advisor, feels that this year's program had had a great turnout for all sports compared to previous years.

GAA Swings Into Action

In the top left photo, facing page, Maria Garcia takes a determined swing in one of the girls' softball games. Below that, Lani Kauhola (24) puts up a ready-to-spike shot for Trini Estrada (11). Lorraine Jordan heads for home plate confident she will score another run for Pioneer (top center). Below that, Rosa Longo connects too low with her bat and pops a foul ball. With Sylvia Muro (33) covering her, Nancy Camarillo (23) sets the ball up for a front row spike (top right). Above, Becky Bogenschutz stands armed and ready to put another runner out at first.

Junior Class Prepares for Annual Prom

The Junior Class Officers and Council worked through the 1971-72 school year to raise money for the Junior-Senior Prom. The Prom, "Spring Enchantment," was held on May 20th.

The group began discussing a location for the dance early in the year, and chose the Elks Lodge in Long Beach as the site for the off-campus formal dance. The later part of the year was spent selecting a theme for the dance, hiring a band, and ironing out all the other details.

The preparation for the prom included hard work and sponsoring many fund-raising activities. These included a car wash and the selling of chocolate candy bars.

Sophomores Look Ahead and Plan For Future Years

Elsa Martinez, Treasurer

The Sophomore Class Officers and Council held lunch-time meetings to make plans for money raising activities. With the aid of their advisor, Carolyn Noseff, the sophomores began early in the school year to raise money for the Junior-Senior Prom. Their class will sponsor that event the following year.

With an eye to the present, as well as the future, the council and officers were a great aid in the activities of Kleen Kampus Day. Concerned about the trash problem in the quad and the overall appearance of the campus, the sophomores worked hand in hand with the Ecology Club in trying to improve Pioneer's appearance. Aside from Kleen Kampus Day, many other Saturdays were spent washing cars in an effort to raise more money.

Good Things Ahead for the Class of 1975

Under the leadership of Class President Terry Lara, the Freshmen Council started on the road to raising funds for the four long years ahead. The class sponsored numerous activities throughout the school year, and in general, the projects undertaken by the Class of 1975 were designed to raise both spirit and money.

With the aid of Freshman Class Advisor Carolyn Noseff, the council and officers worked with the Ecology Club in planning and carrying out the work involved with Kleen Kampus Day.

“Inspirations”

Adult Groups Work for District and Community

Unknown to most students are four important groups of individuals which cast a great deal of influence on Pioneer's school life. The District Administrators, Board of Trustees, Teachers' Club, and Parent-Teacher Association are all dedicated to the improvement of education in the Whittier Union High School District.

The District Administrators directed the operations of the seven unified schools, with Mr. D.A. Morrissey serving in the capacity of Superintendent. Of major concern to both the District Administrators and the Board of Trustees was the budgeting of the district's money in a year which saw money growing scarcer throughout the state.

The Teachers' Club is that group of faculty-elected individuals who serve in representing the Pioneer teaching staff. The main function of the PTA is to serve as the communicating link between the school and the community.

District Administrators, seated: Superintendent D.A. Morrissey; Mr. Arthur Hobson, Assistant Superintendent, Educational Services. Standing: Mr. Eugene Wineinger, Assistant Superintendent, Personnel Services; Mr. Earle Fisher, Assistant Superintendent, Business Services.

Board of Trustees, left to right: Mr. M.G. Garman, member; Mrs. Virginia Macy, Vice President; Mr. M.L. McMahon, President; Mr. C. Everett Hunt, Clerk; Dr. Jerry Sarchet, member.

Parent-Teacher Association Officers: Frances Naninga, President; Betty Elizalde, First Vice President; Maryellen High, Second Vice President; Marie McMullen, Recording Secretary; Marge Fierros, Corresponding Secretary; Peggy Atherton, Treasurer; Susanne Ley, Auditor; Mary Lou Santibanez, Historian; Catherine Percy, Parliamentarian.

Teachers' Club Officers, seated: Bill Brand, Treasurer; Doris Dean, Secretary; John Dorch, President Elect. Standing: Lou Borg, President; Tom Maeder, Delegate.

Hal Reid, Assistant Principal, Business and Activities

Bill Kirk, Assistant Principal, Guidance

Dr. Jerry Haines, Principal

Dr. Jerry Haines Leads Energetic Staff

Serving in his second year as principal, Gerald L. Haines, Ed.D., did an effective job of operating Pioneer on a more personal level. With the aid of his administrative staff he was able to concentrate on better communications between administrators, teachers, and students.

During the past year Dr. Haines earned his Doctorate in Secondary Education at USC. When asked how he felt after his first year as principal, he thought "a definite change had occurred at Pioneer." Not only was it a positive change, but he felt "people at Pioneer are more confident of success, and much more sure of themselves." He sincerely thinks that such programs as the A-schedule day, the reading 'scramble', the teacher-advisor program, and the open discussion groups are all based on one common goal: To reach out and care for the individual, and to make every person a very important part of the whole picture.

There were no changes in the administrative staff from the previous year. John Kimmick held his position as Assistant Principal in Curriculum. Hal Reid and Bill Kirk continued in their positions as Assistant Principals in Business and Activities and Guidance, respectively.

John Kimmick, Assistant Principal, Curriculum

Special Personnel Prove Their Value Often to Pioneer Students

Special Services this year added two important people, Kathy Stanger and Dan Nay. Mrs. Stanger served for her second year as the Coordinator of the Exploratory Work Experience Program. The "E.W.E.E." program proved to be of great personal interest and benefit to a growing number of Pioneer students. Dan Nay, as Curriculum Coordinator, worked with department heads, teachers, and students in developing courses of study. As in the past, School Nurse Doris Dean looked after the health of Pioneer students. Joe Hazard, Librarian, did an excellent job of keeping the Pioneer library in order. As Assistant in Student Activities, Jim Fretz worked with Hal Reid and served as advisor to the A.S.B. Cabinet.

J.C. Low

Guidance Office Staff Always Available for Help

With no new additions to the counseling staff, J.C. Low again served as Head Counselor. The guidance office staff worked hard to serve the students at Pioneer, and their efforts were not in vain for students know that whenever they have a problem they can go to the Guidance Office and find a helping hand. Despite the increasing number of students per individual counselor, the guidance staff is always ready to listen. No matter how large or small a problem seems, from choosing a college to changing a class, the guidance staff will always be there to help out.

Pi Hi Office Staff Serves Many

As well as being efficient at their jobs, the Pioneer secretaries are patient and understanding. Serving in five main buildings, the secretaries help in running more than a dozen offices. New to the secretarial staff this year were Kim Beard, who helped Joe Hazard in the Library, and Roberta Davis, who helped in the reading department.

Garnet Stafford, retiree

Behind the scenes at Pioneer are the custodial and cafeteria crews. It is these hard working individuals who make it altogether possible for the school to enjoy many of the niceties that students take for granted. Working hard to keep the entire school running smoothly, the crews not only clean and cook, but the custodial crew sets up equipment for assemblies, games, and an infinite number of other activities. The day crew even planned to work harder in the future, for Garnet Stafford was serving in his last year with that group before retiring.

The cafeteria crew worked diligently preparing hot lunches for students, but did not stop there in their efforts. This year the cafeteria staff revolutionized their methods of serving customers in hopes of making service speedier and more efficient.

Elizabeth Fowler and Willie Lopez oversee the operation of the girls' and boys' locker rooms.

Day Crew: Bob Houston, Garnet Stafford, George Vasquez.

Charlie Dudiot is trying to decide between the two shoes Evelyn Vasquez is holding. All of the shoes at MARSDEN'S SHOE STORE are of fine quality and they come in all sizes, colors, and styles. It is located at 6707 Greenleaf Ave. Phone 698-7281.

For the latest in sports attire go to the ISLE OF CAPRI. The store carries a wide variety of pants, pantsuits, blouses, and dresses. It's located at 7938 S. Vicky Dr. Phone 699-5371.

Kathy Bartlow and Chris Caliri are looking at two of the many attractive long dresses in the women's department at J.C. PENNYS. It is located in the Whittier Downs Mall. Phone 692-1243.

Going to need some paint? Mario Ontiveros and Dennis Arroyo know that they can find all the paint they need at CY'S HARDWARE, located at 11239 E. Washington Blvd. Phone 699-9365.

Cindy
You're about
one of the craziest
people I know next
to me (EH)
I hope you get
all you want in
the following years.
Take care of your
self.
A friend
Elly

Bye
Bye Cindy

Cindy,
 I'm glad that we
 became better friends
 this year. You were fun
 to be around with
 I hope I see you
 during the summer and in
 the future. Be careful when
 you go into the Clinique
 and God Bless you
 Love,
 Chris Burrowsbridge

Shine it
 oil you know
 what I mean.

Cindy! luck.
 Best of luck.
 Have fun
 this summer.

Cindy,
It's been a long time. Remember the
slumber party in the 7th grade at
my house? It was terrible in govt.
Good luck in everything you do.

Love,
Julie Campbell

Cindy,

Hope you have a
bitchin time in the
service meeting all the
Boys. Knowing you you'll
get carried away, for
sure. It's been a good
year but next year will
be better. (For me) Good
luck, Have fun, and Take
it easy.

Love

Cindy,
 What a
 to pleasure had you been in
 gym. Even though we
 didn't see you much in
 the pool. Have a nice summer
 and a far-out future.
 Love, Margaret

Cindy
 I'm really glad that I met you in this class it was a lot of fun, you really a nice person. Good luck in all you do.
 Love Sal

Cindy- It has been a pleasure to talk and cheat with you in government. I hope you didn't have too bad a time. Have fun serving your country. Maybe I'll see you fly over head sometime

Good Luck,
 Love, Greg

To Cindy,
 What is your
 phone number
 we must get together this
 summer and do some
 cookin. Good luck because
 I have no luck, and I'll
 see you in the spring.
